

predicted (solid) and original (dotted) functions

epoch: 10000

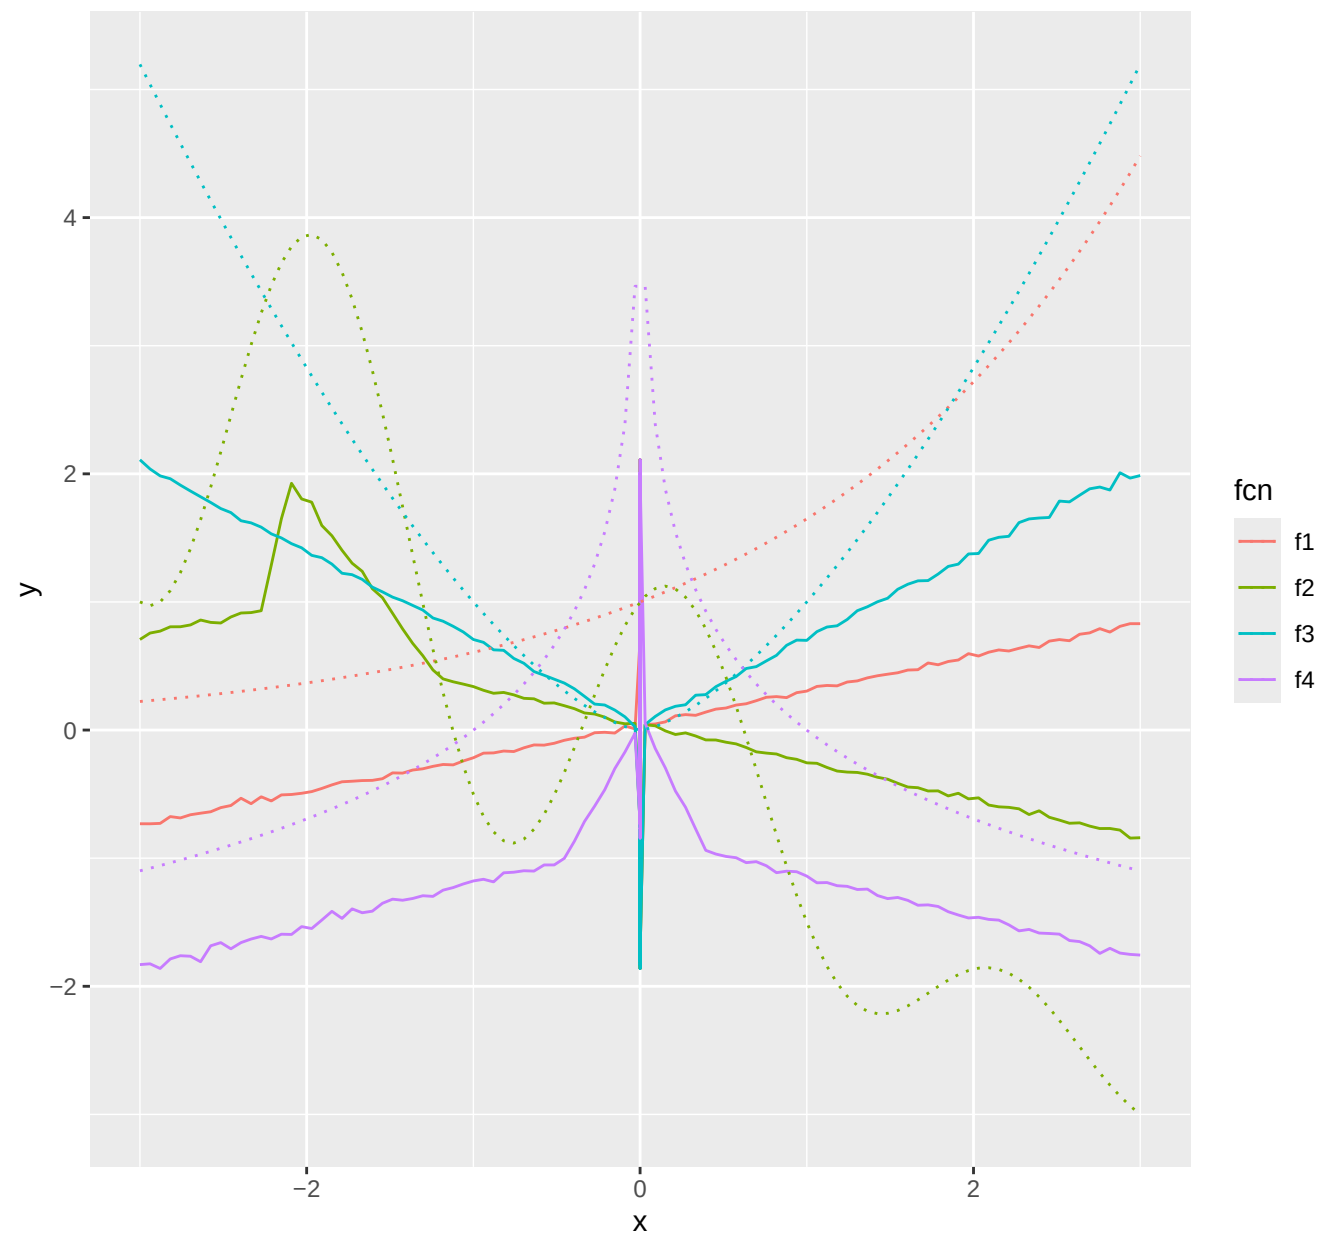

predicted (solid) and original (dotted) functions

epoch: 20000

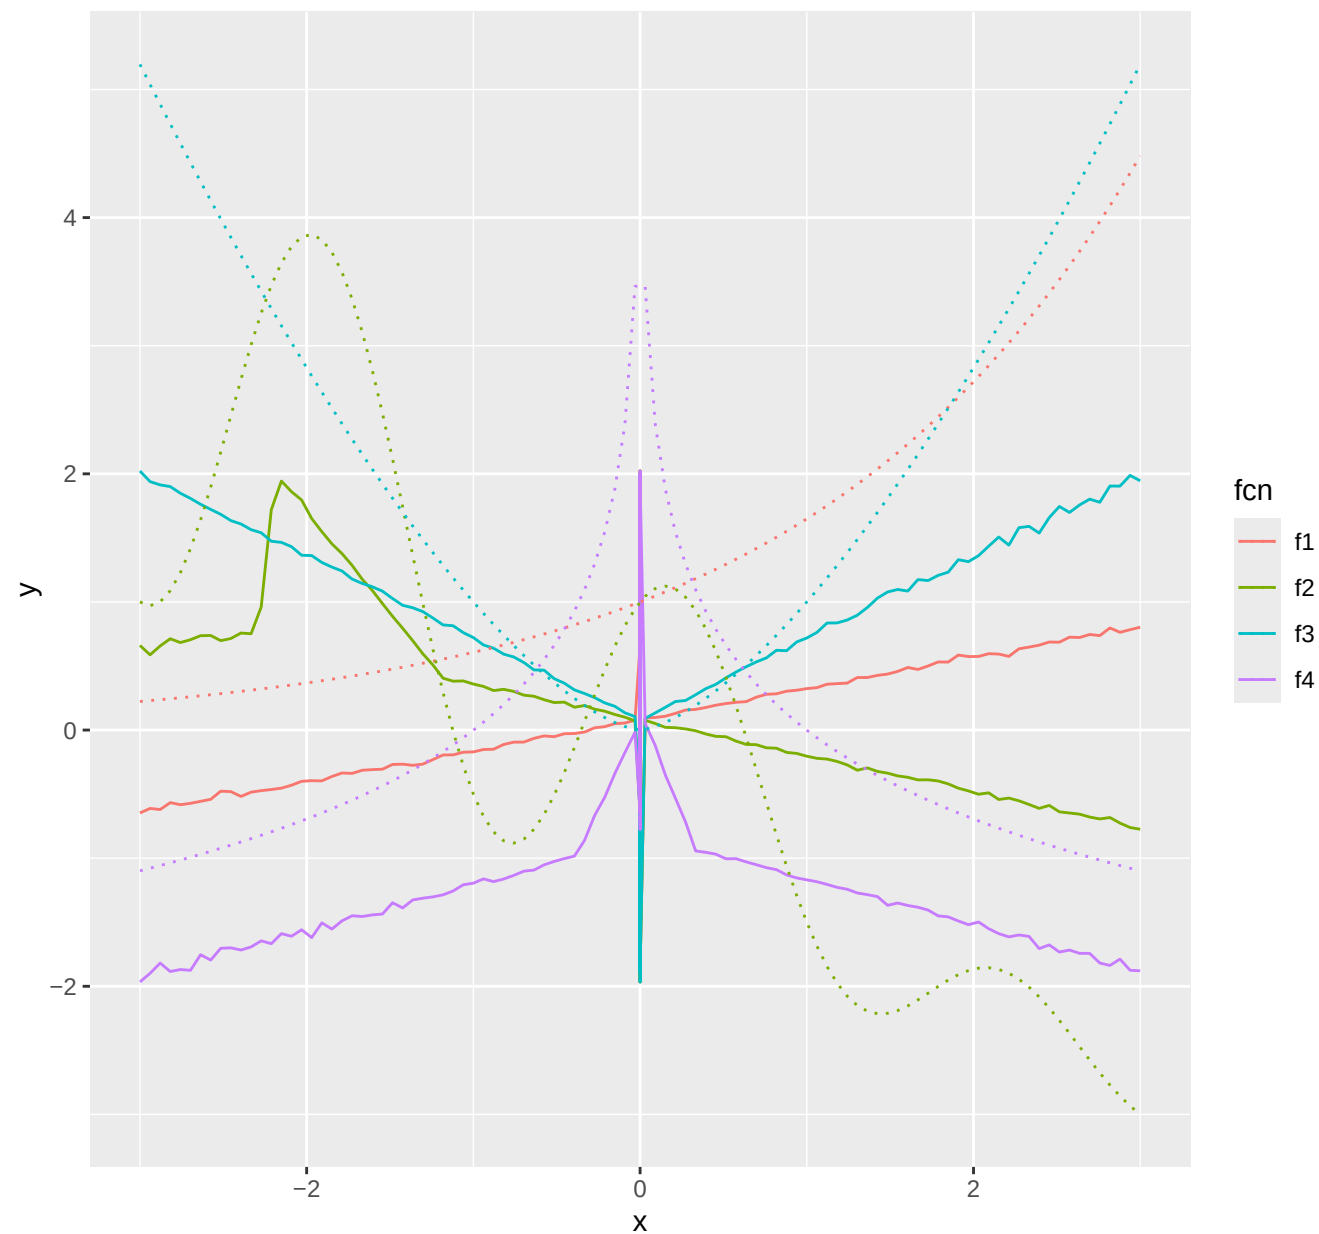

predicted (solid) and original (dotted) functions

epoch: 30000

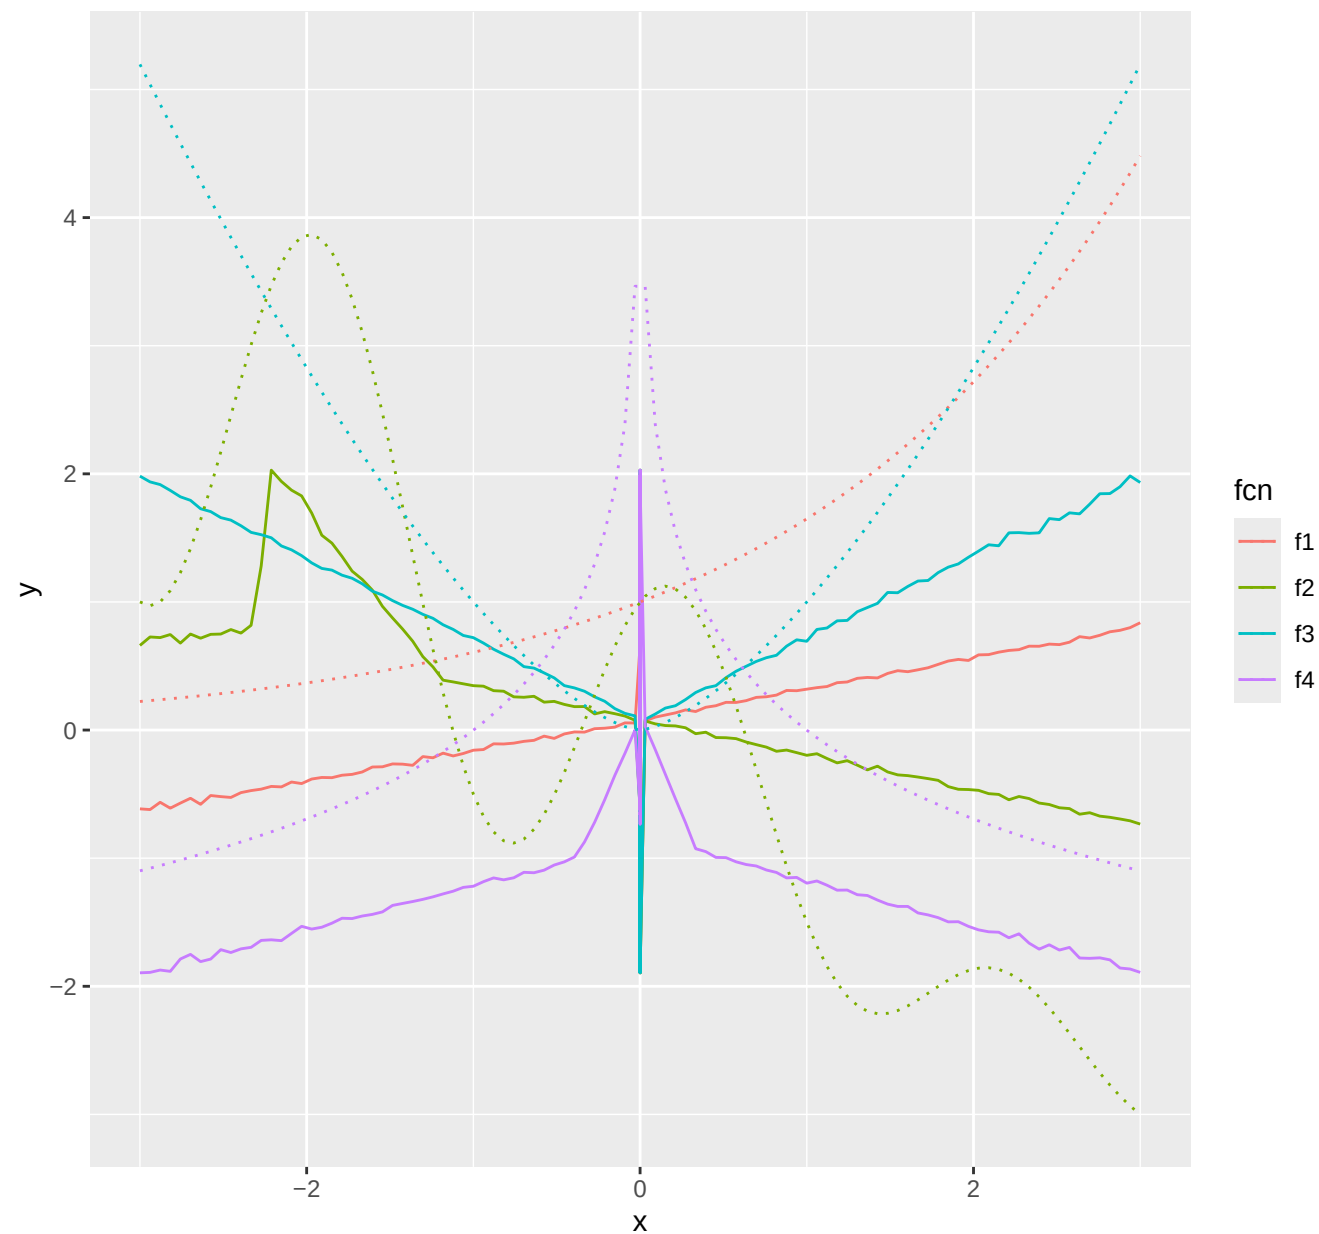

predicted (solid) and original (dotted) functions

epoch: 40000

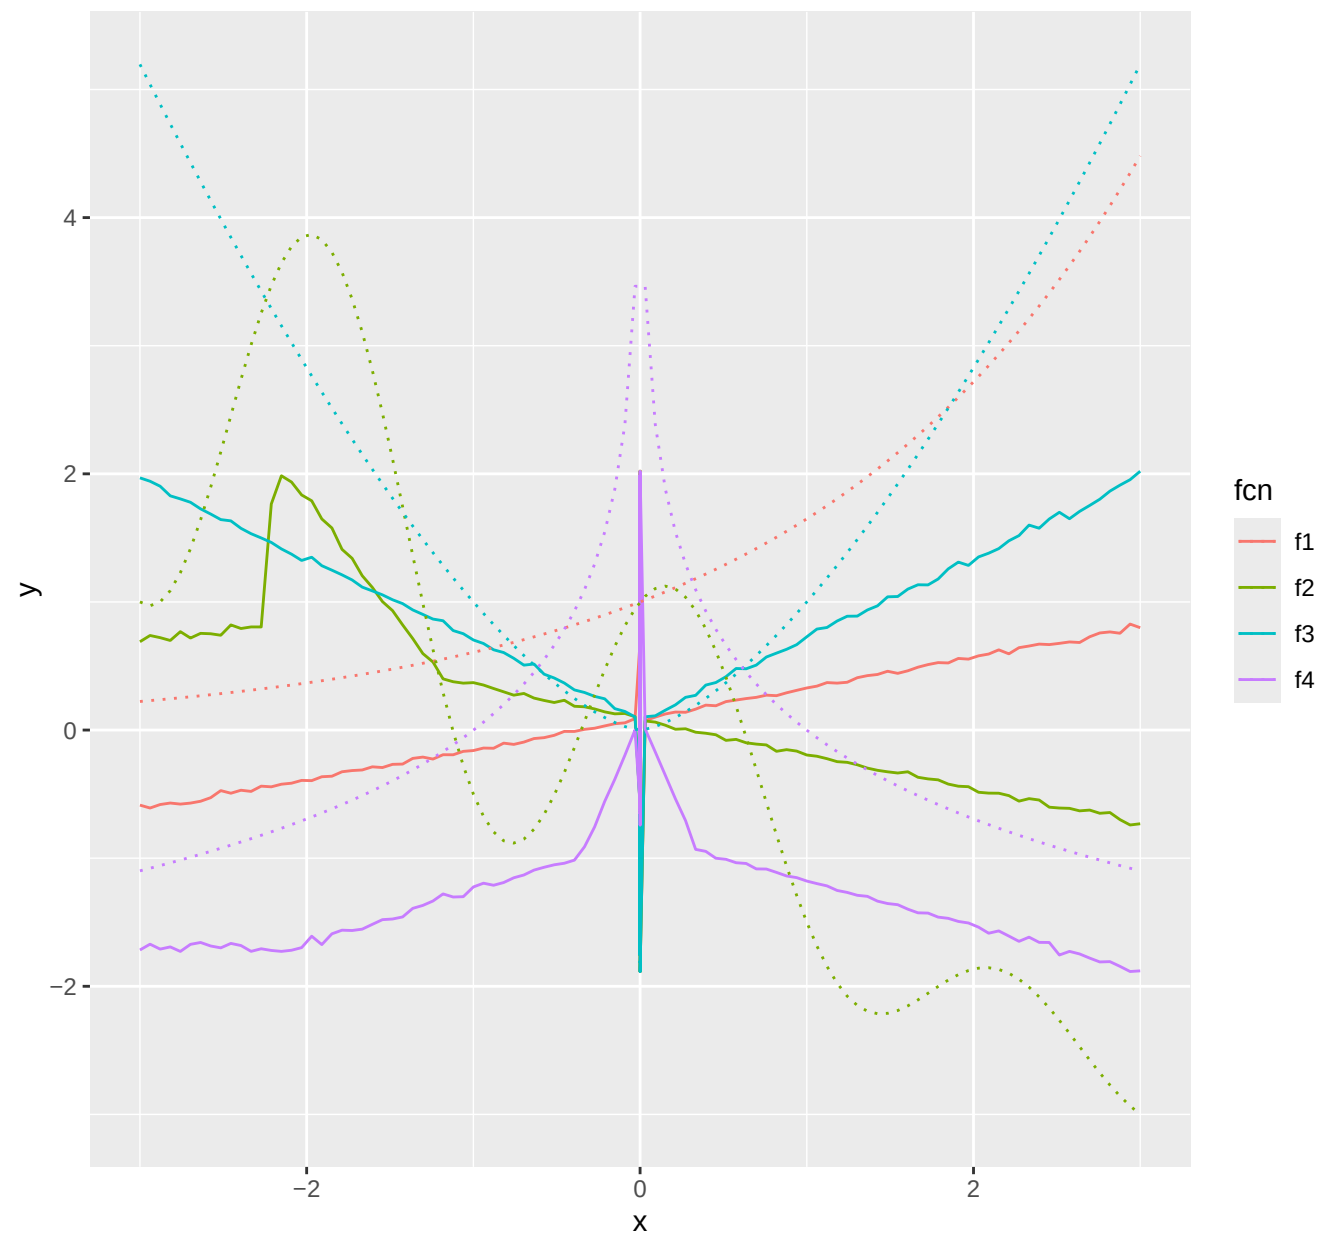

predicted (solid) and original (dotted) functions

epoch: 50000

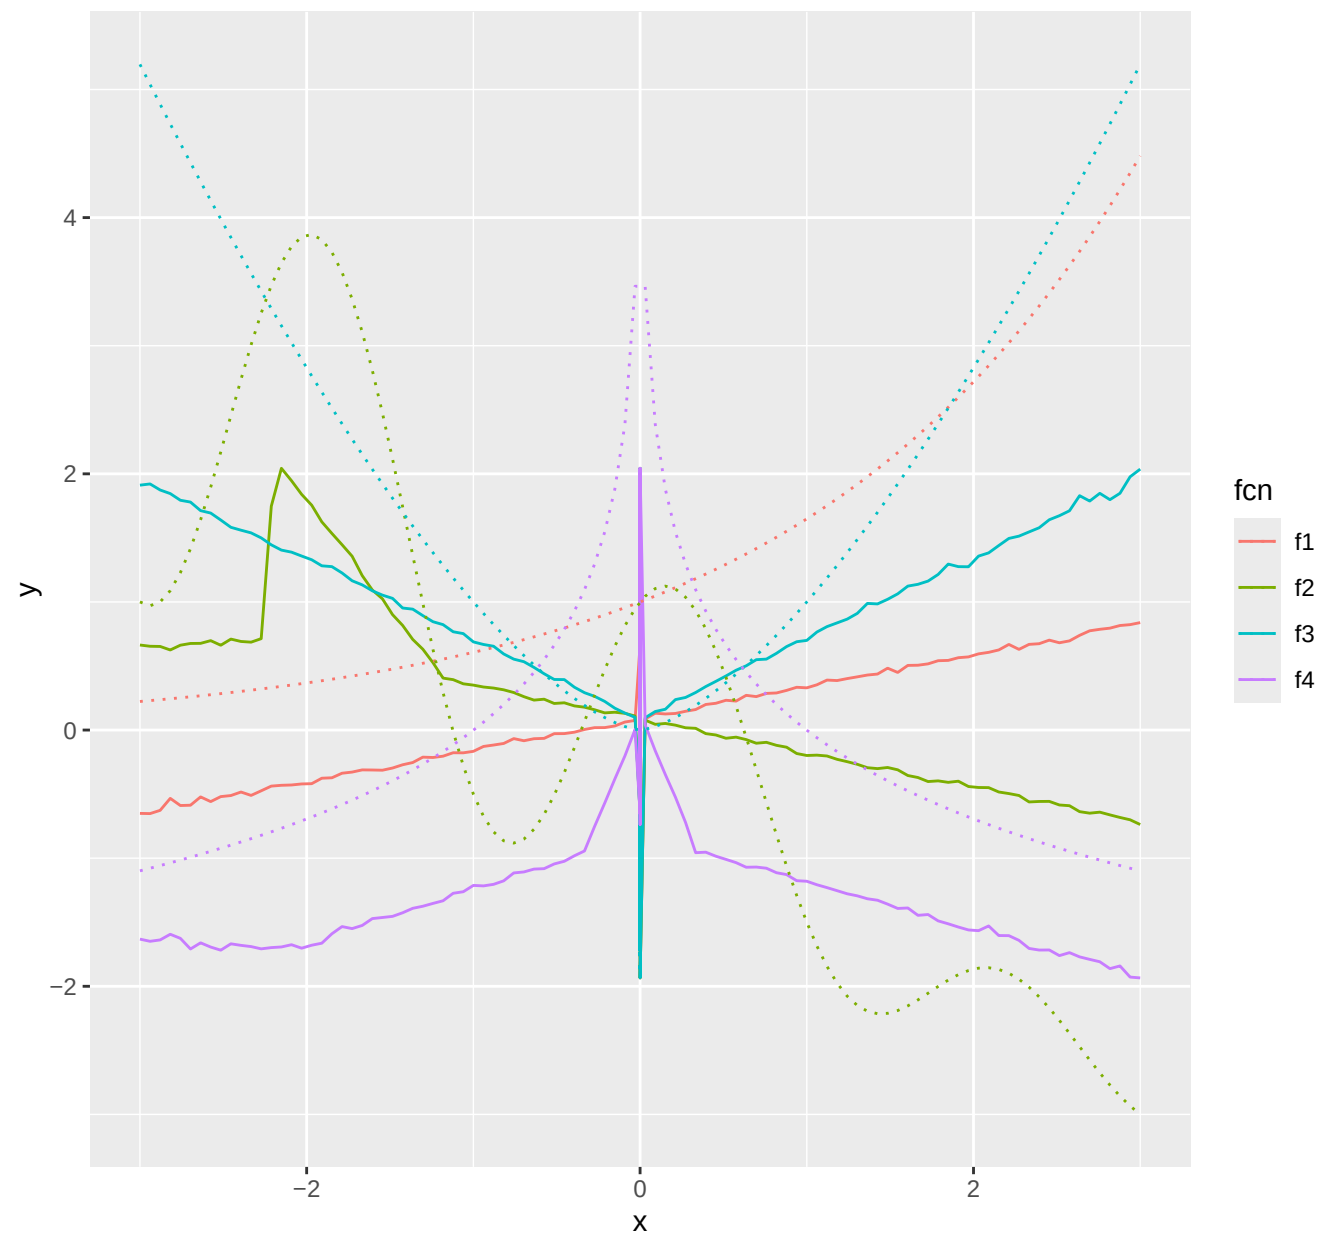

predicted (solid) and original (dotted) functions

epoch: 60000

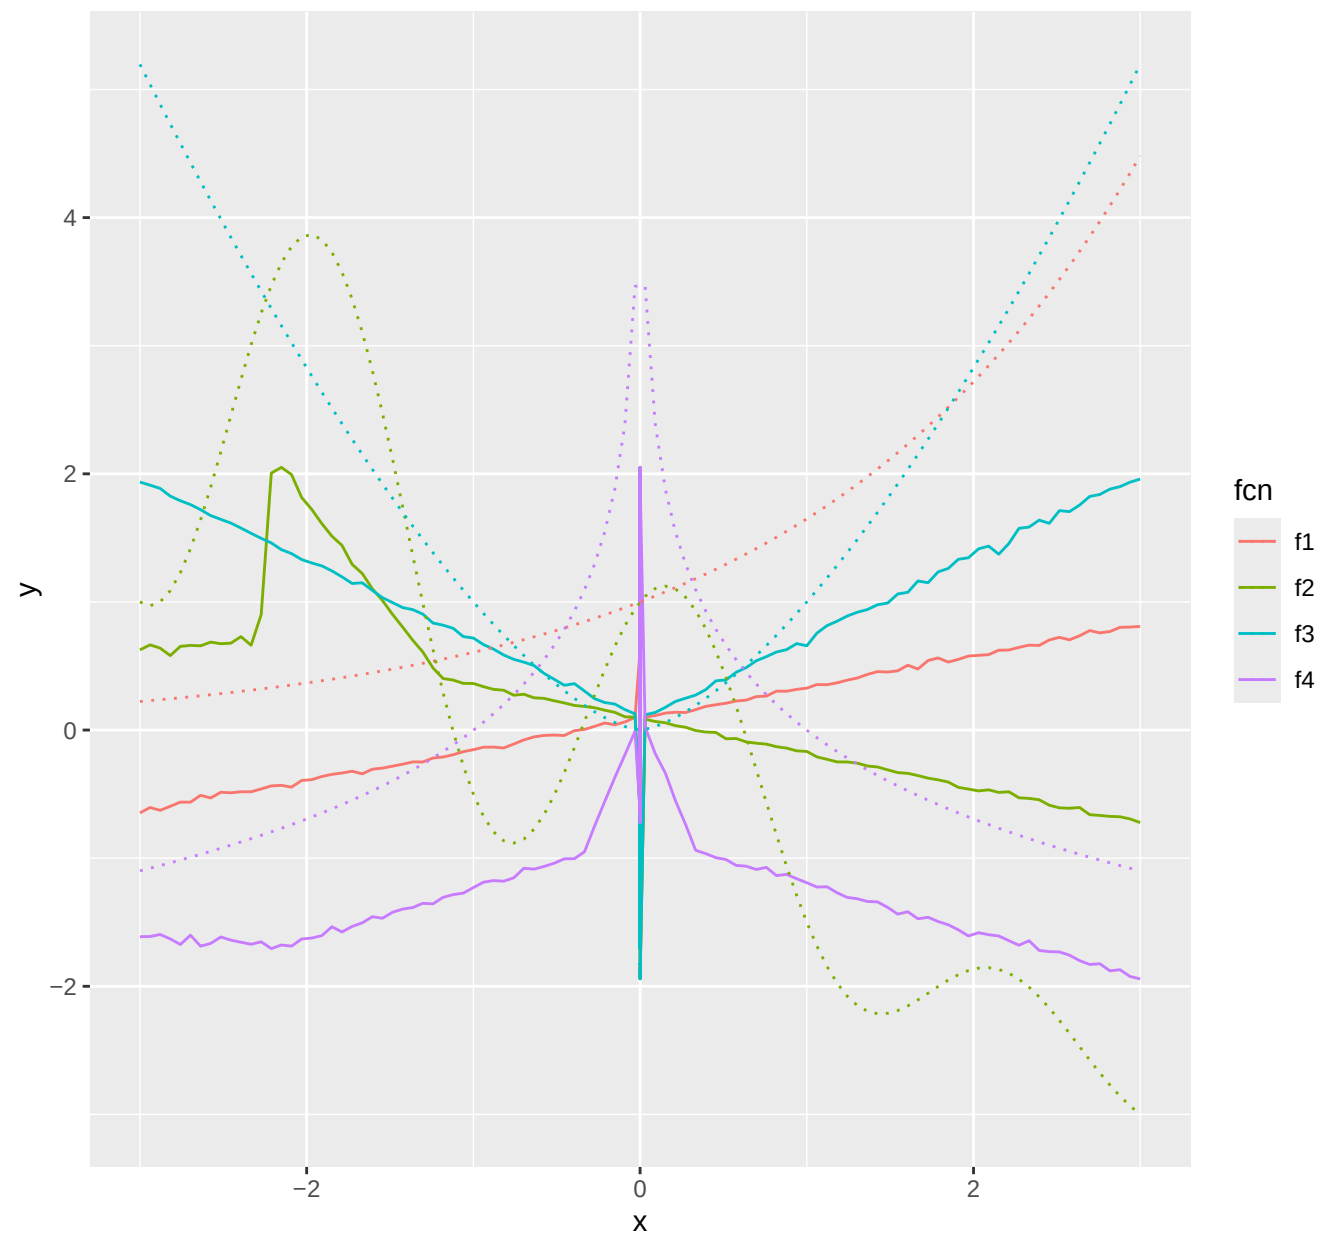

predicted (solid) and original (dotted) functions

epoch: 70000

predicted (solid) and original (dotted) functions

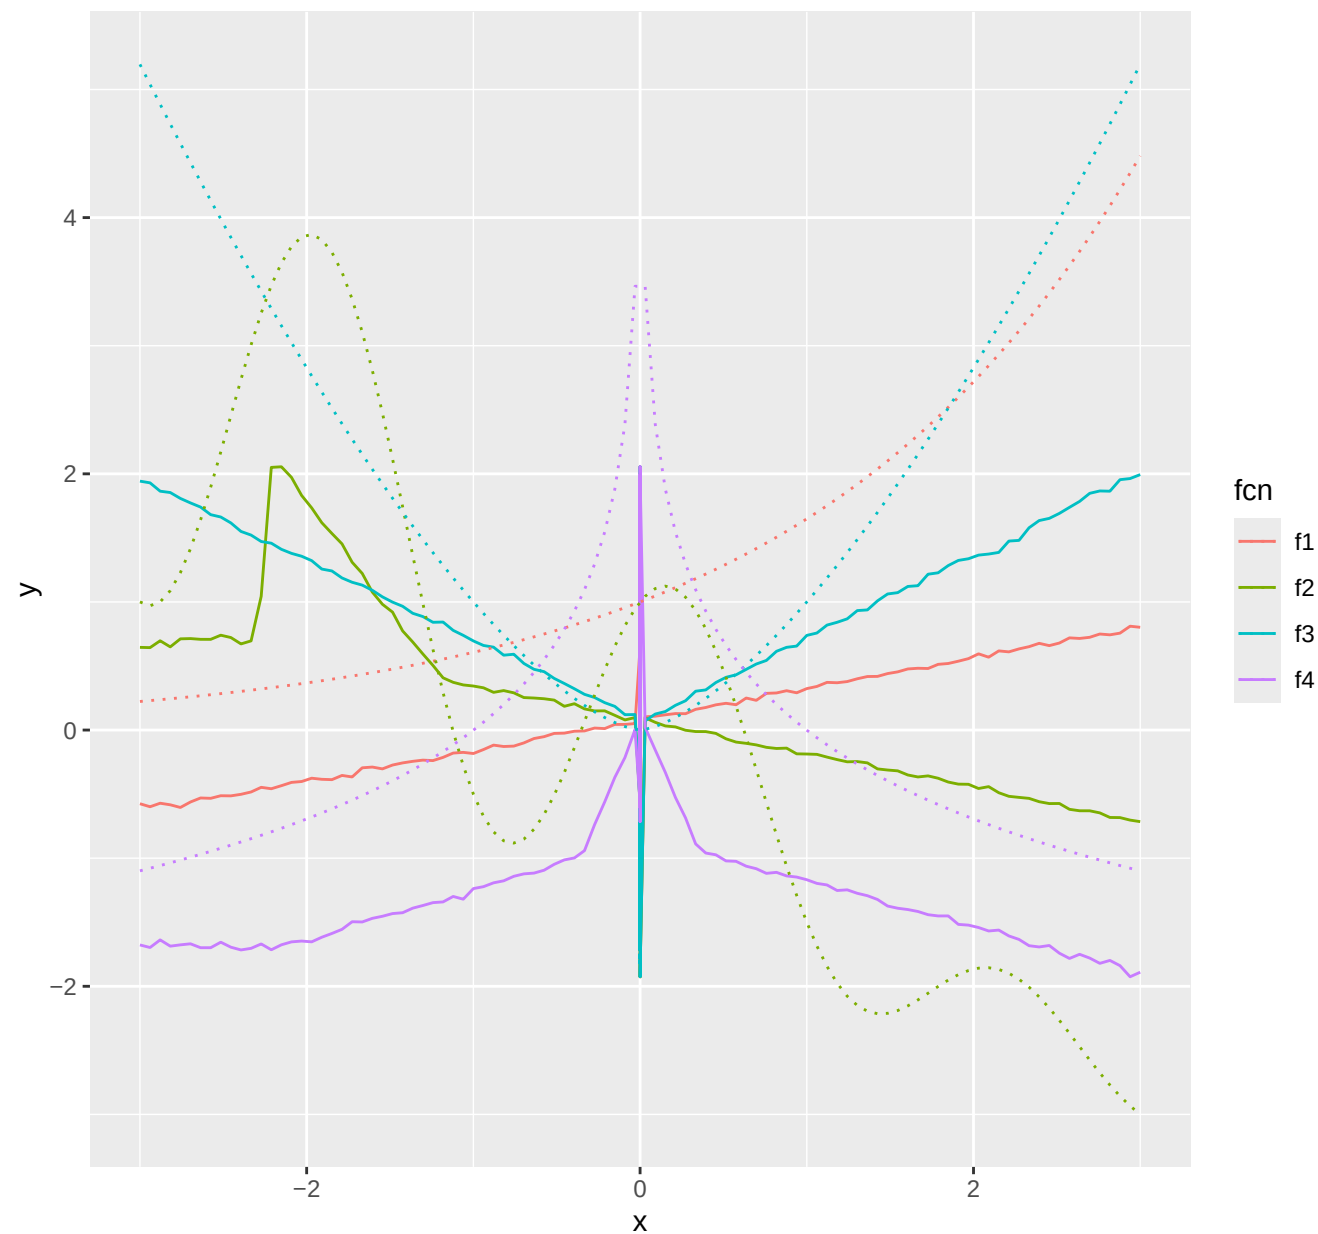

epoch: 80000

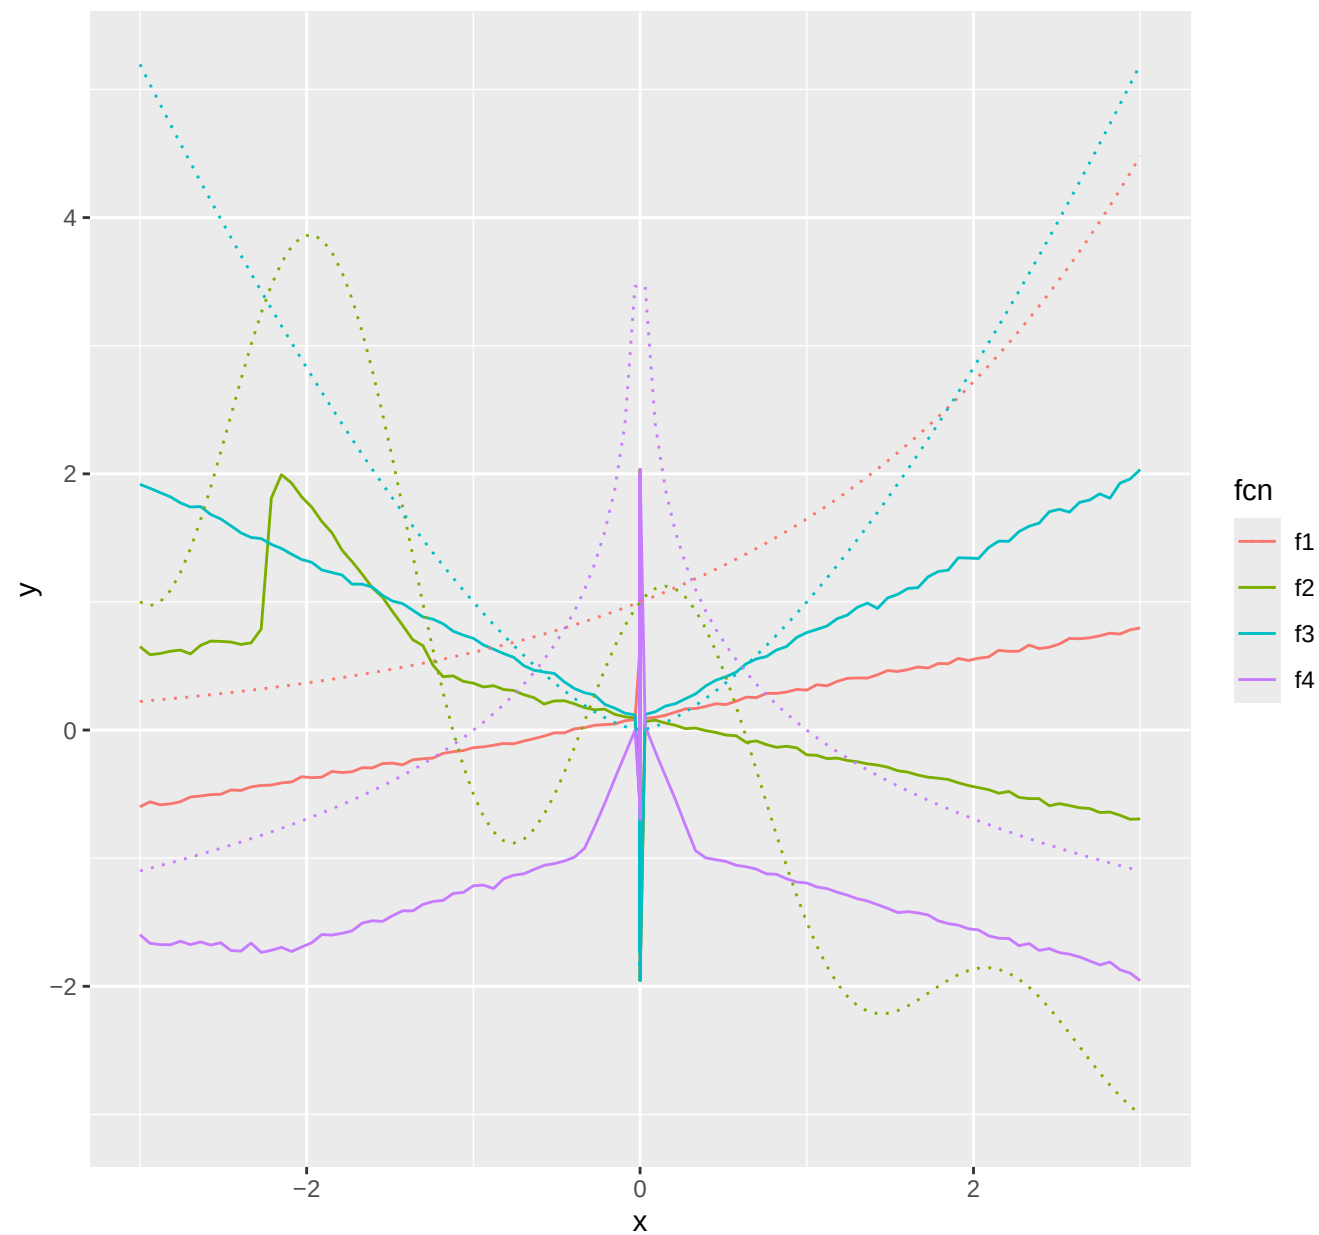

predicted (solid) and original (dotted) functions

epoch: 90000

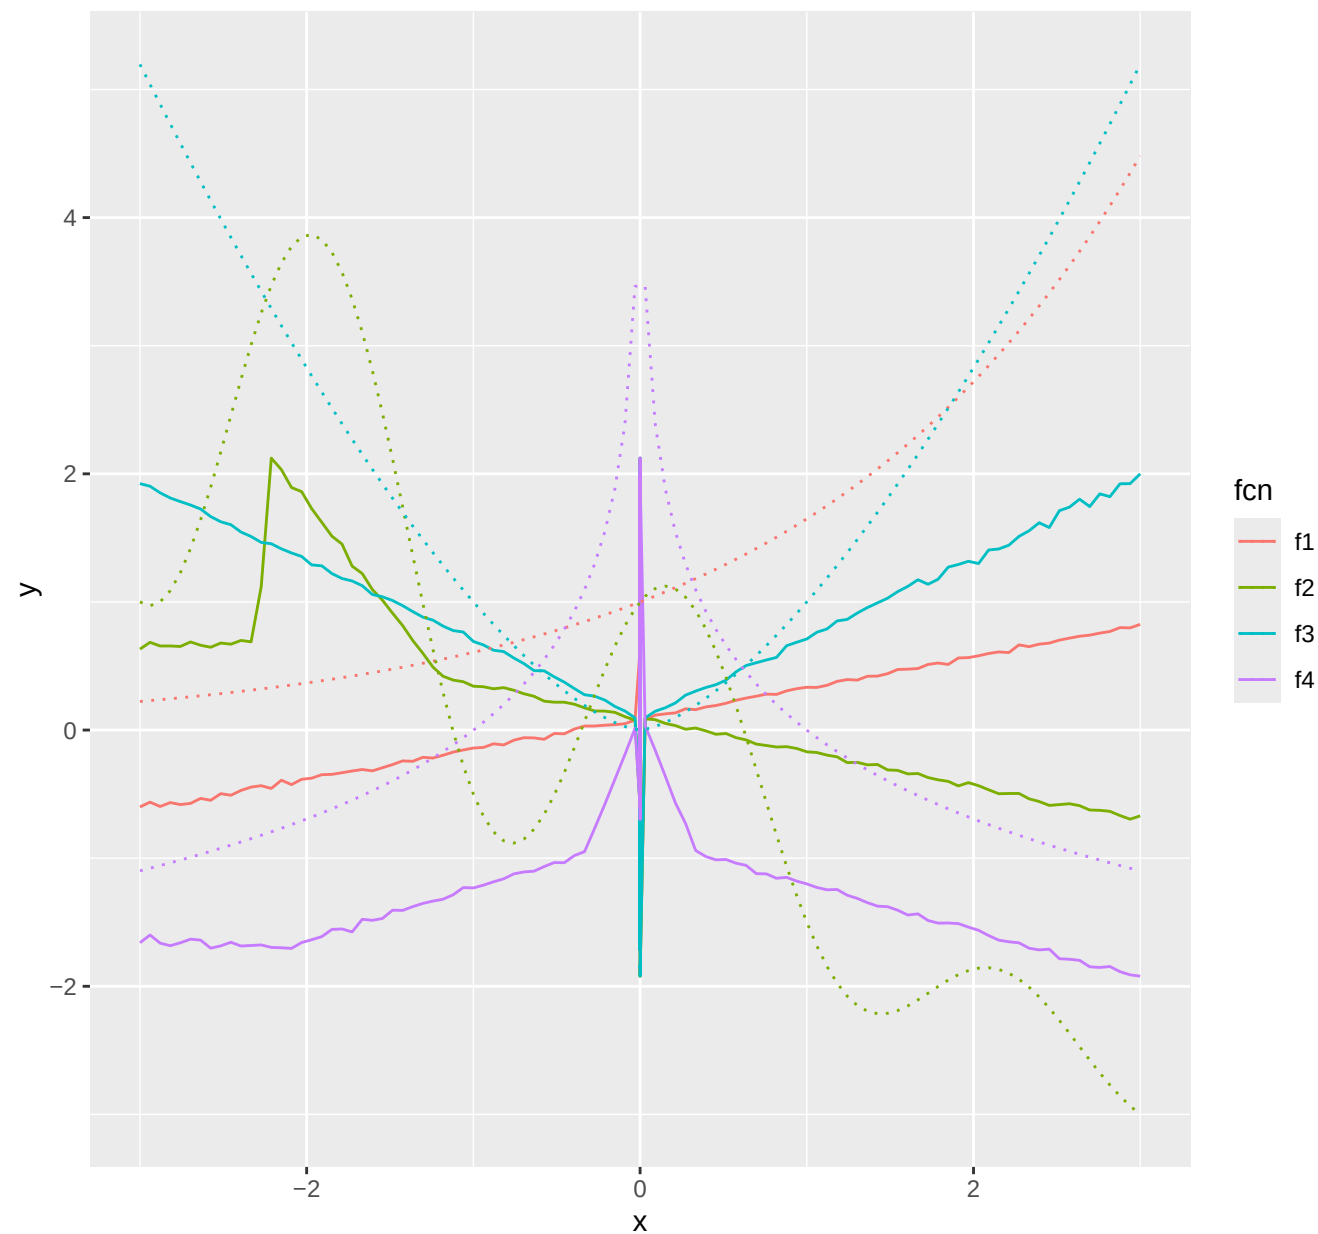

predicted (solid) and original (dotted) functions

epoch: 1e+05

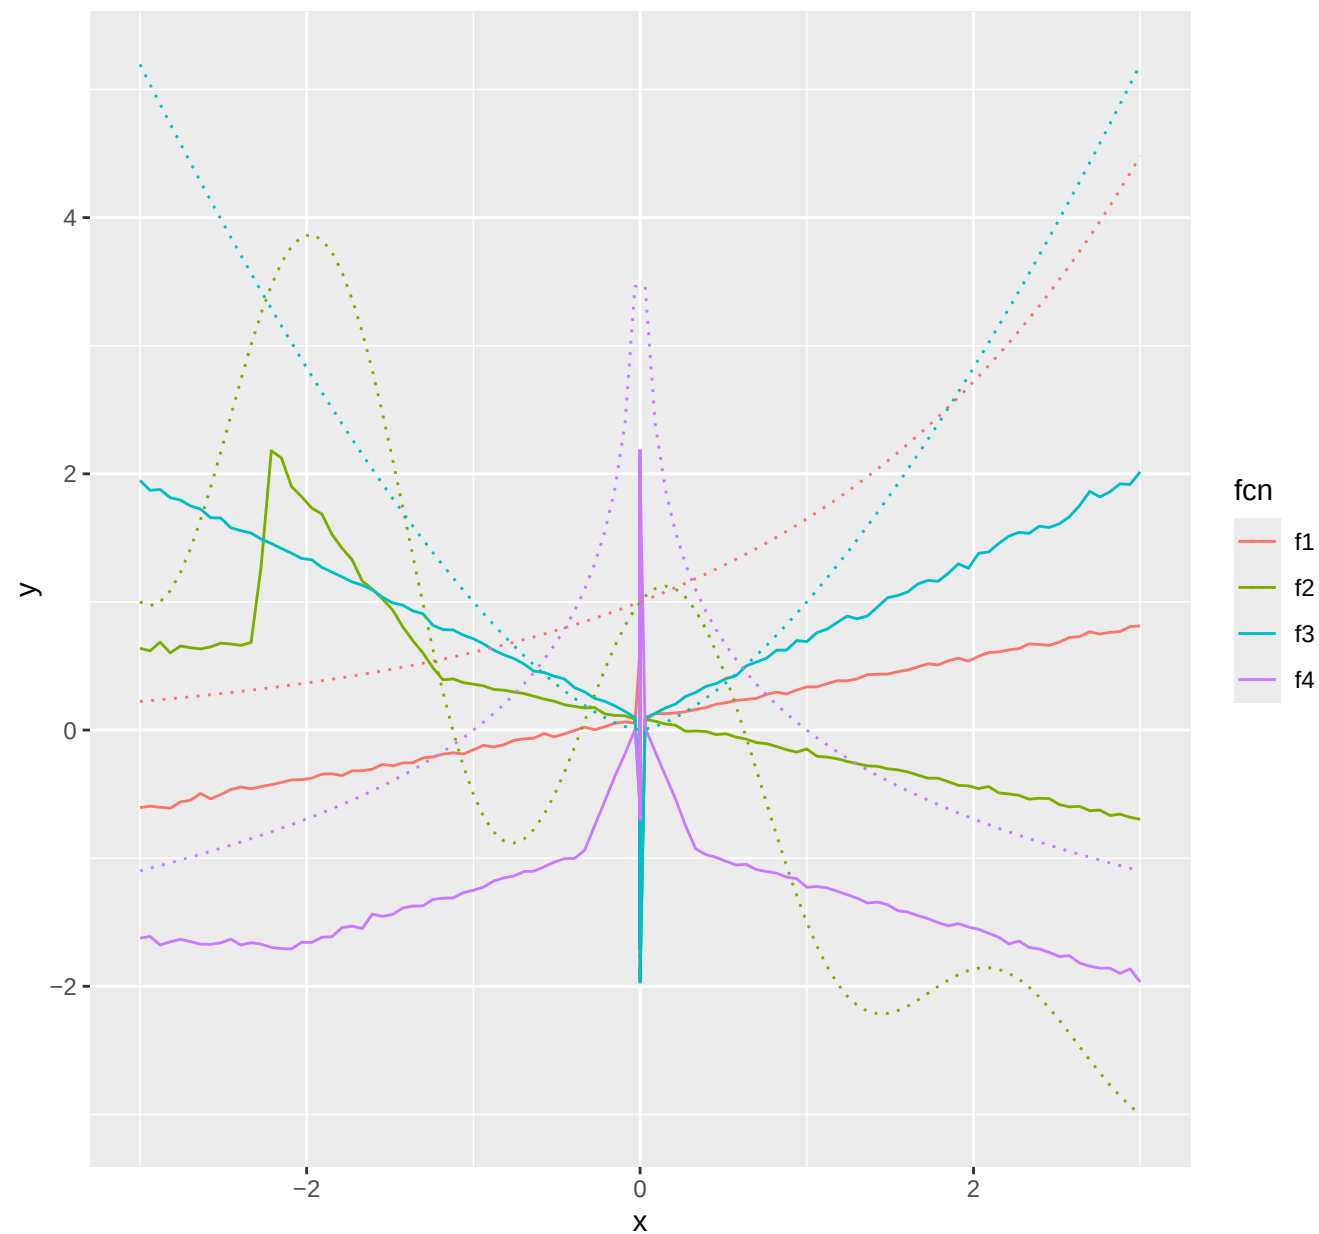

predicted (solid) and original (dotted) functions

epoch: 110000

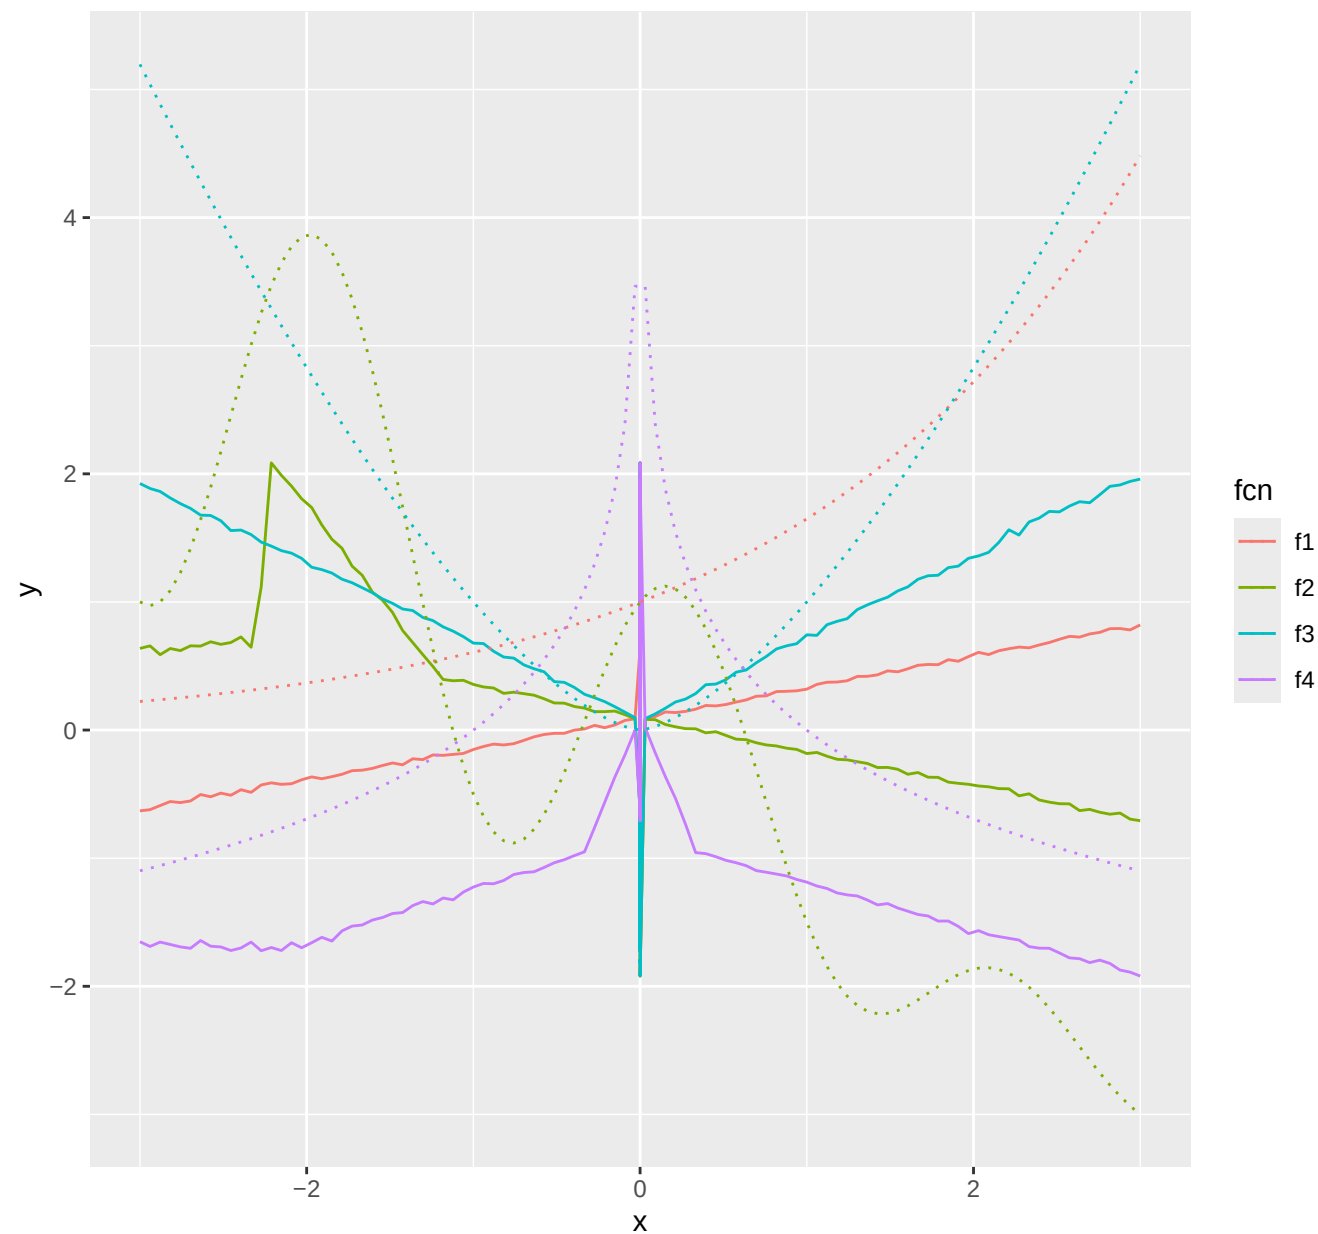

predicted (solid) and original (dotted) functions

epoch: 120000

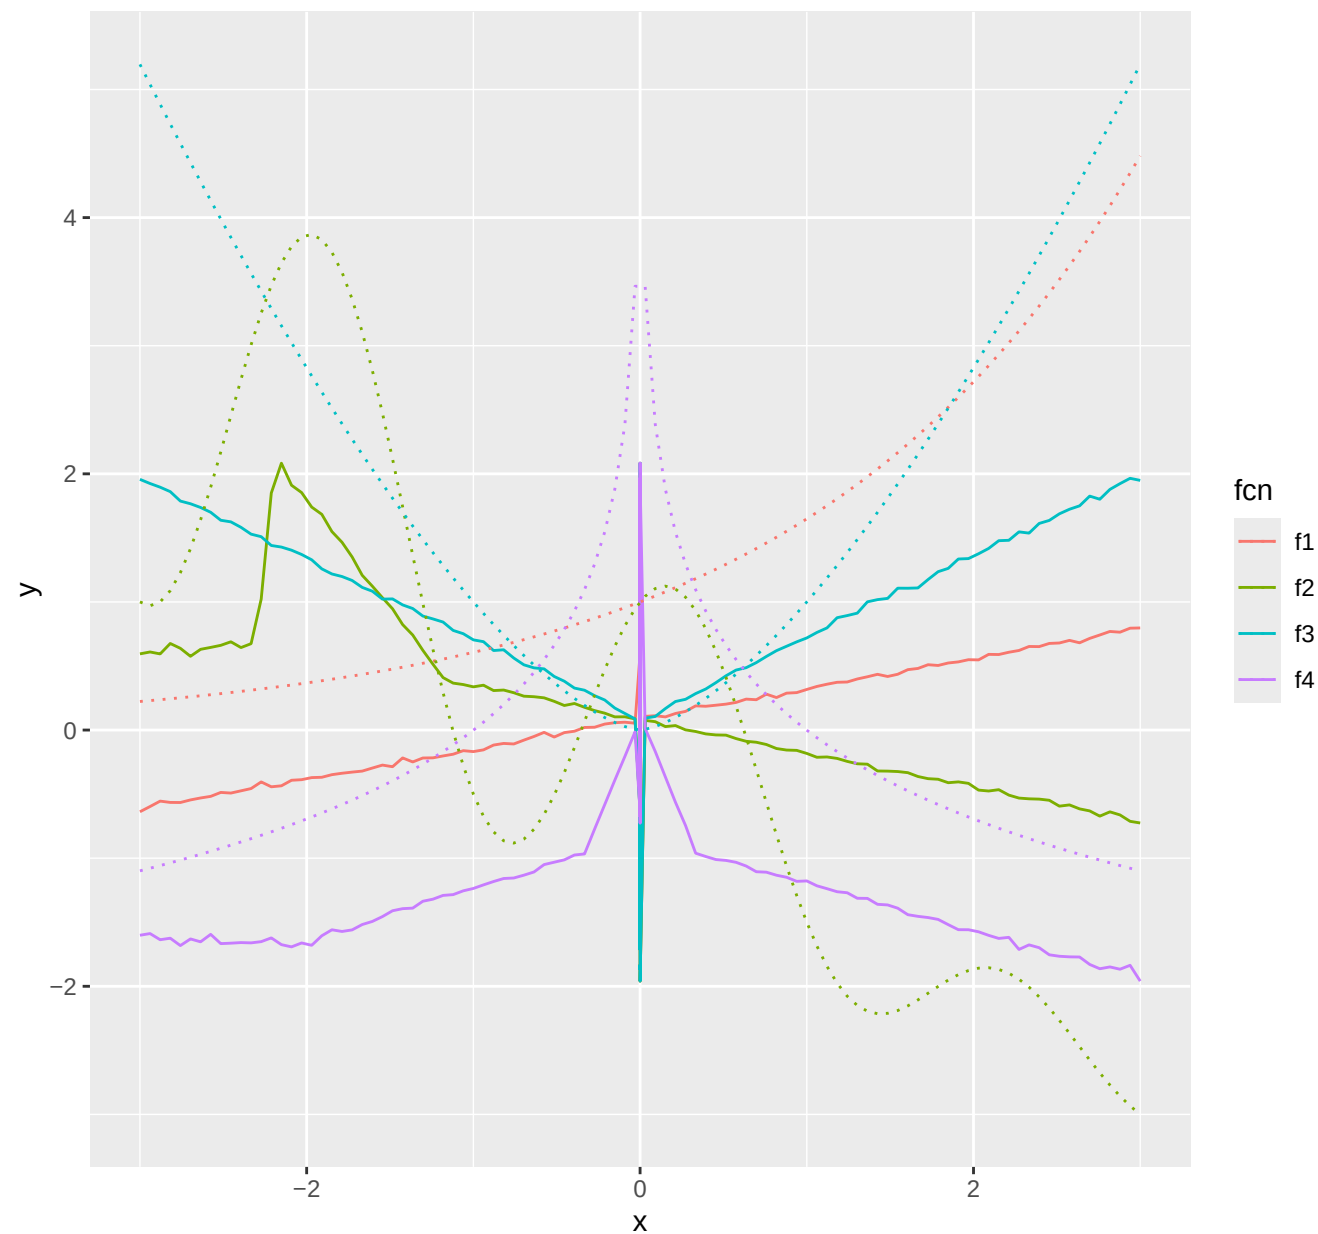

predicted (solid) and original (dotted) functions

epoch: 130000

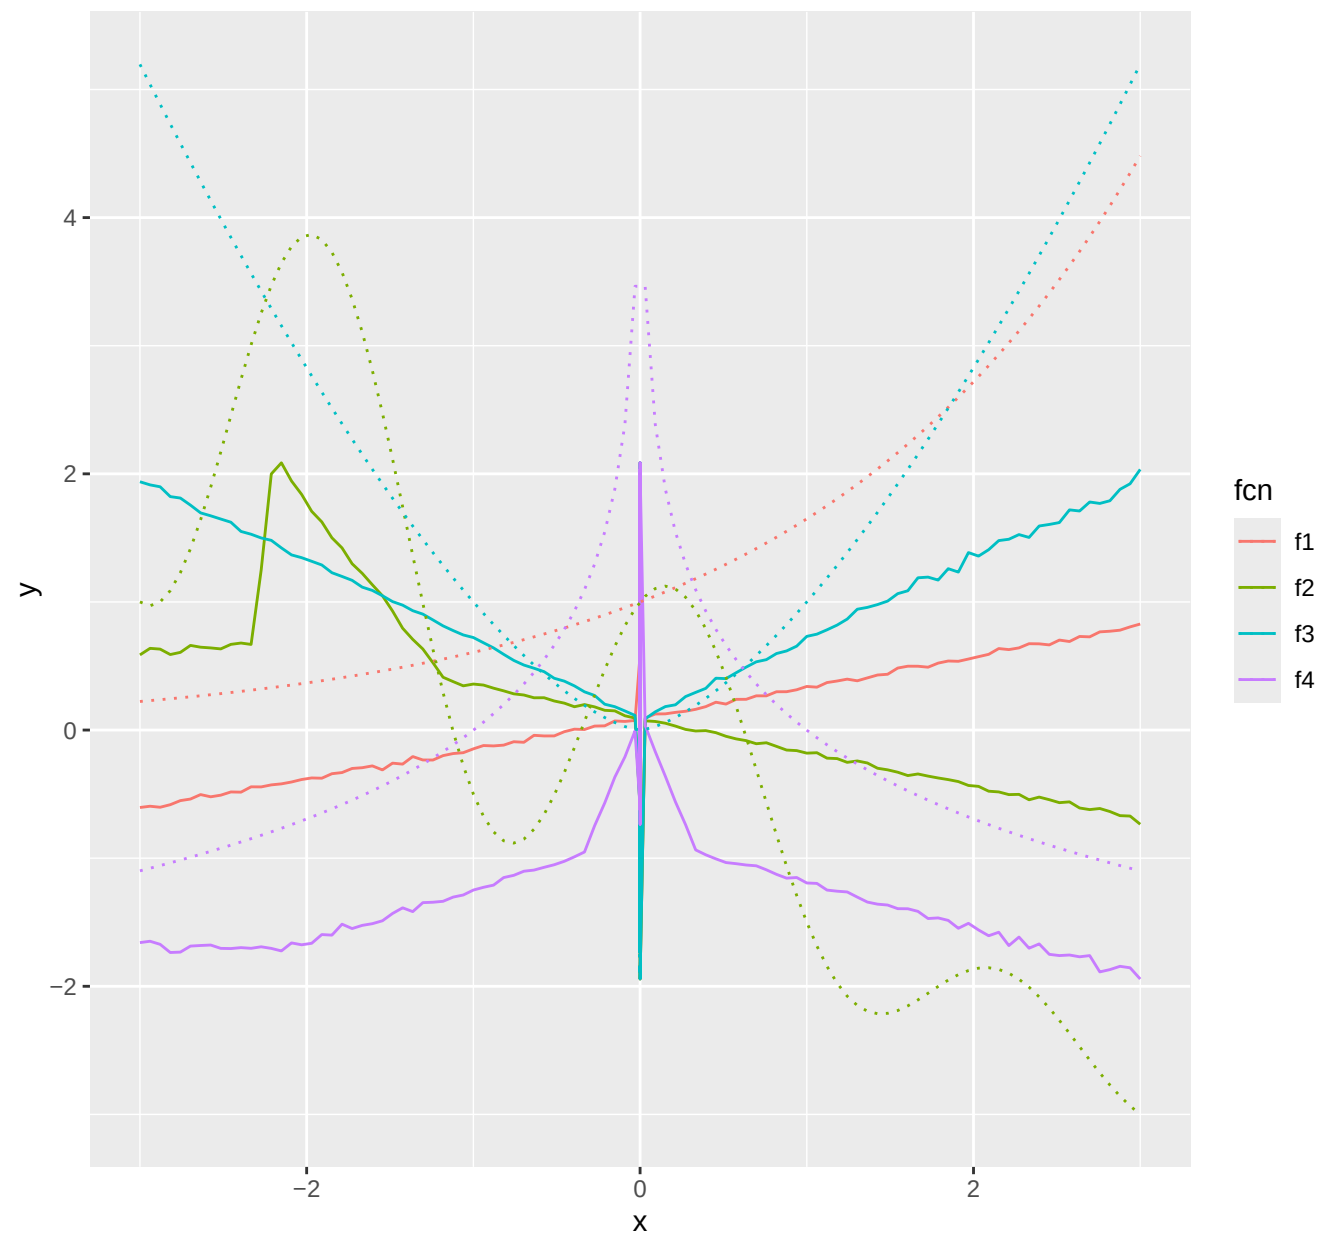

predicted (solid) and original (dotted) functions

epoch: 140000

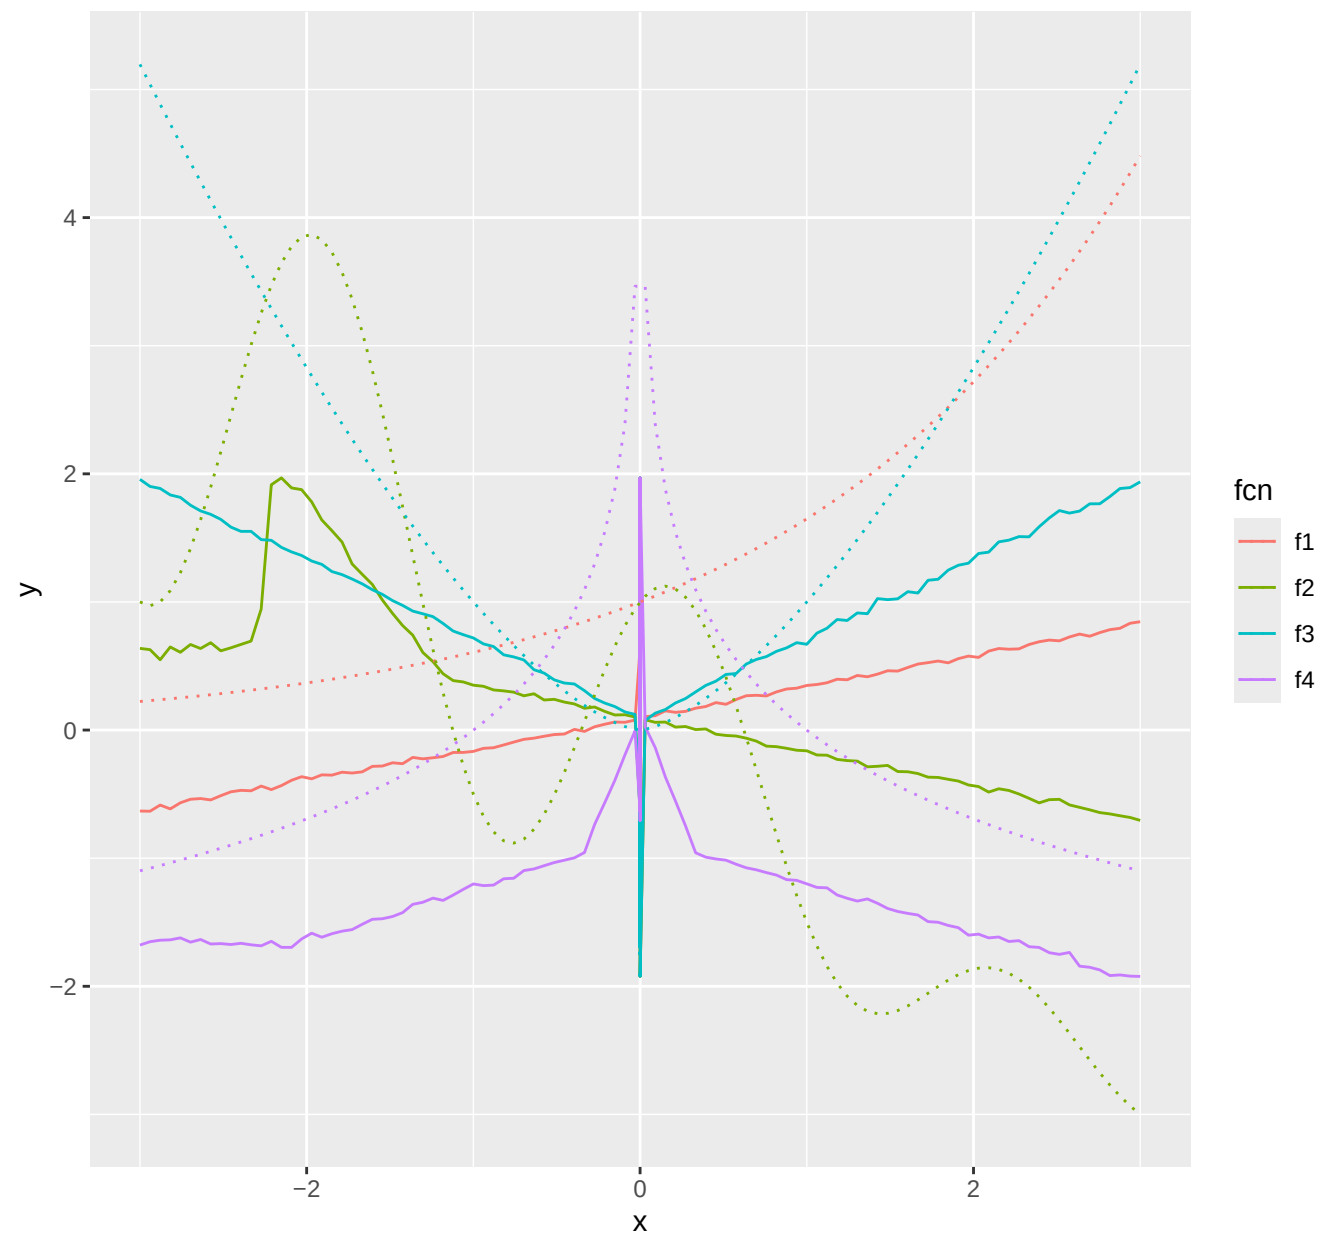

predicted (solid) and original (dotted) functions

epoch: 150000

predicted (solid) and original (dotted) functions

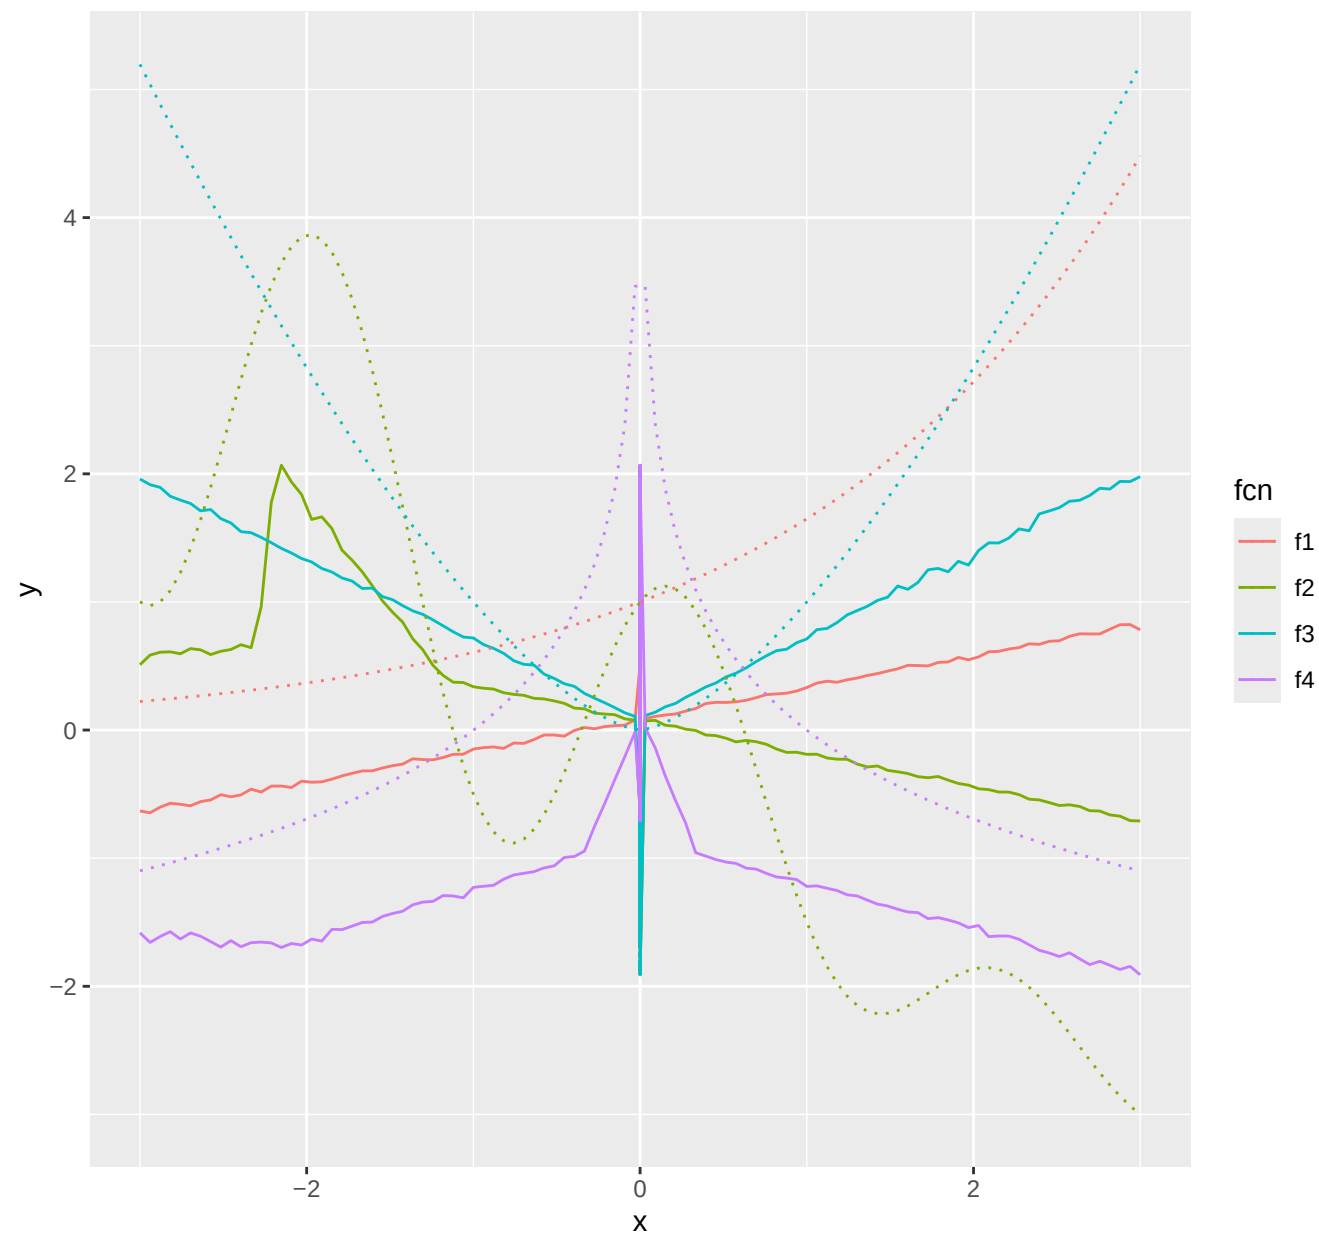

epoch: 160000

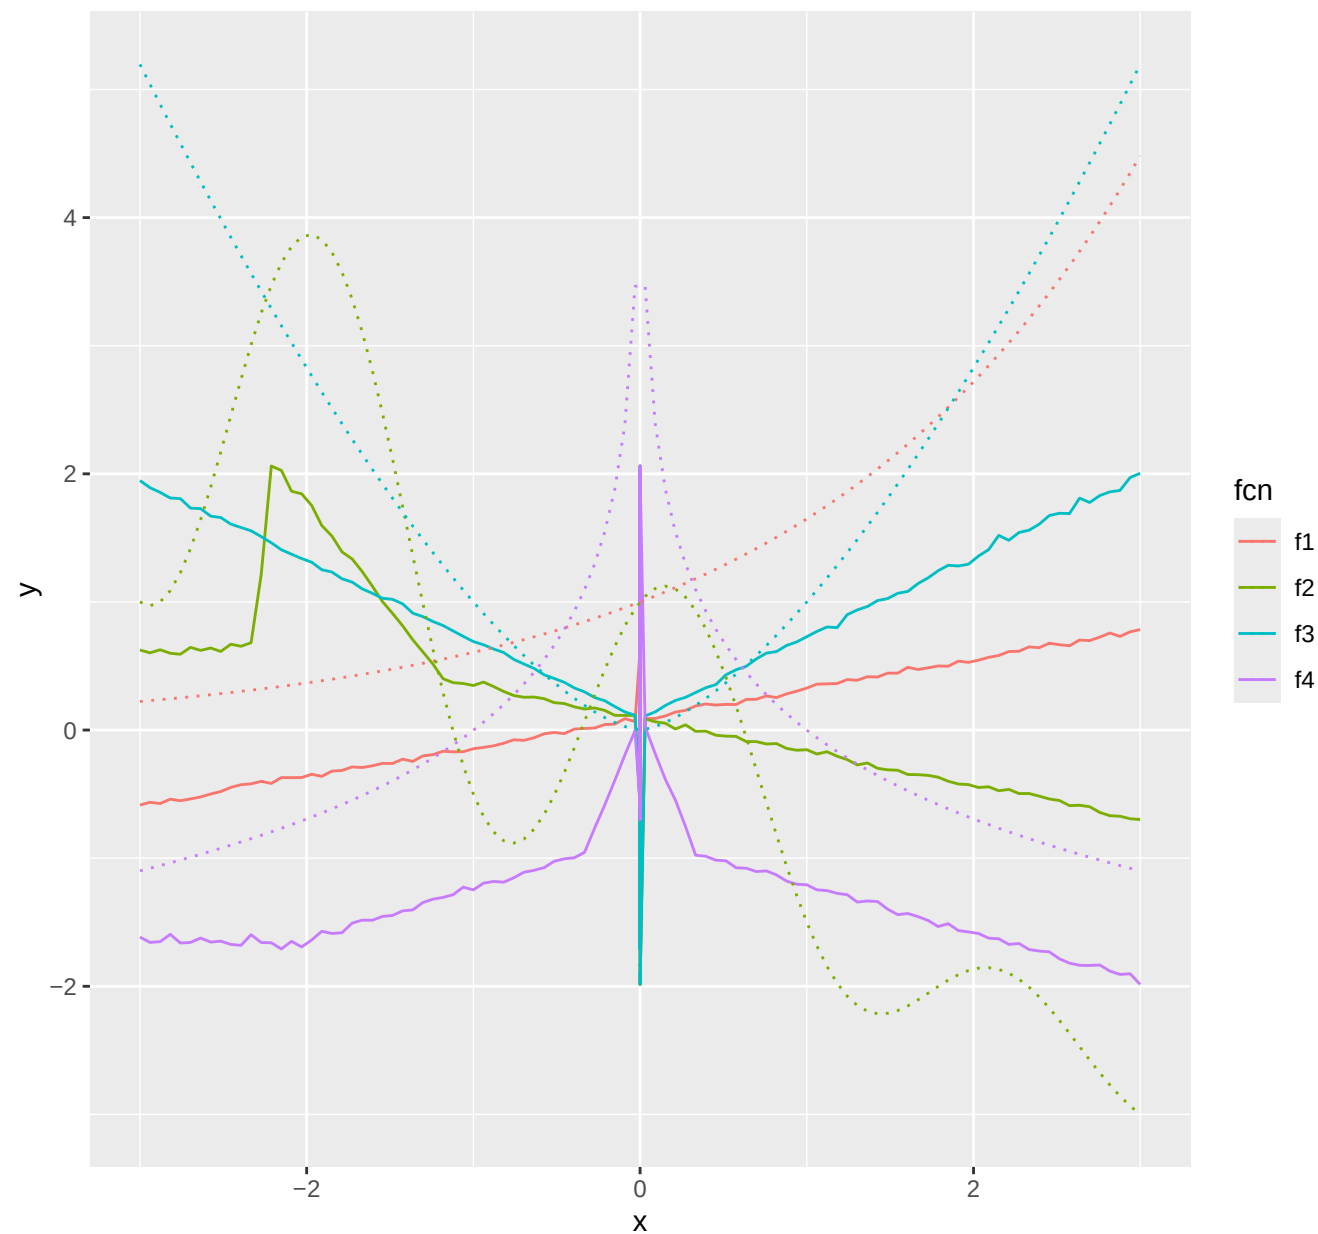

predicted (solid) and original (dotted) functions

epoch: 170000

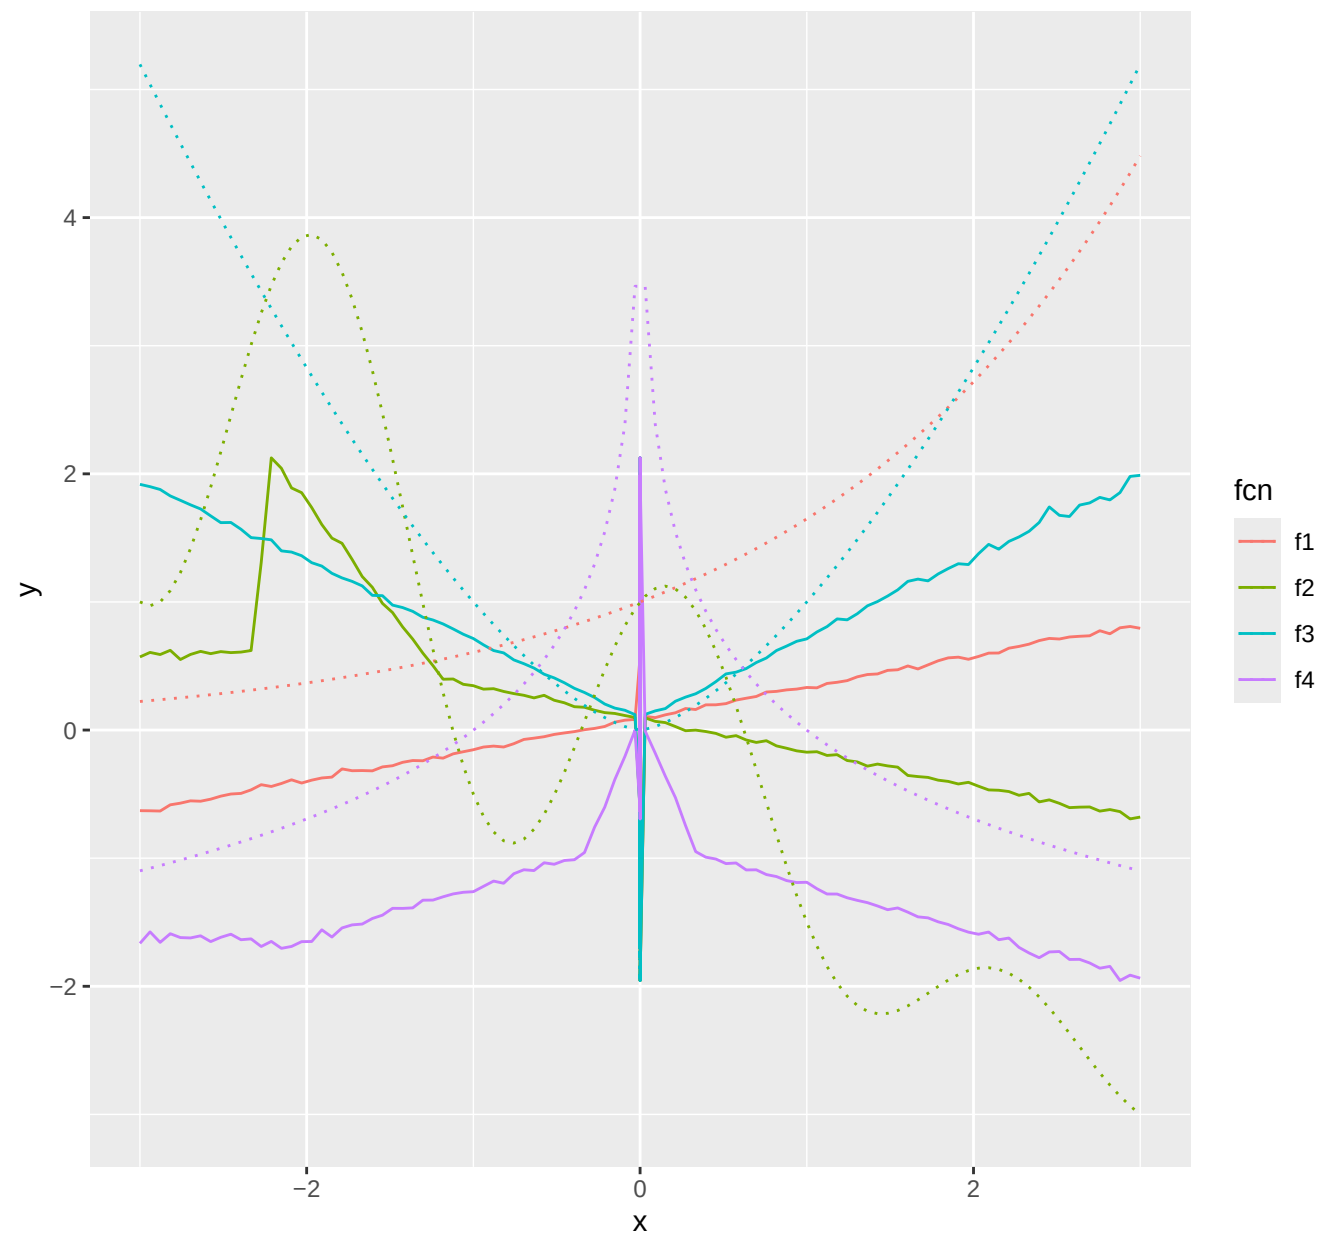

predicted (solid) and original (dotted) functions

epoch: 180000

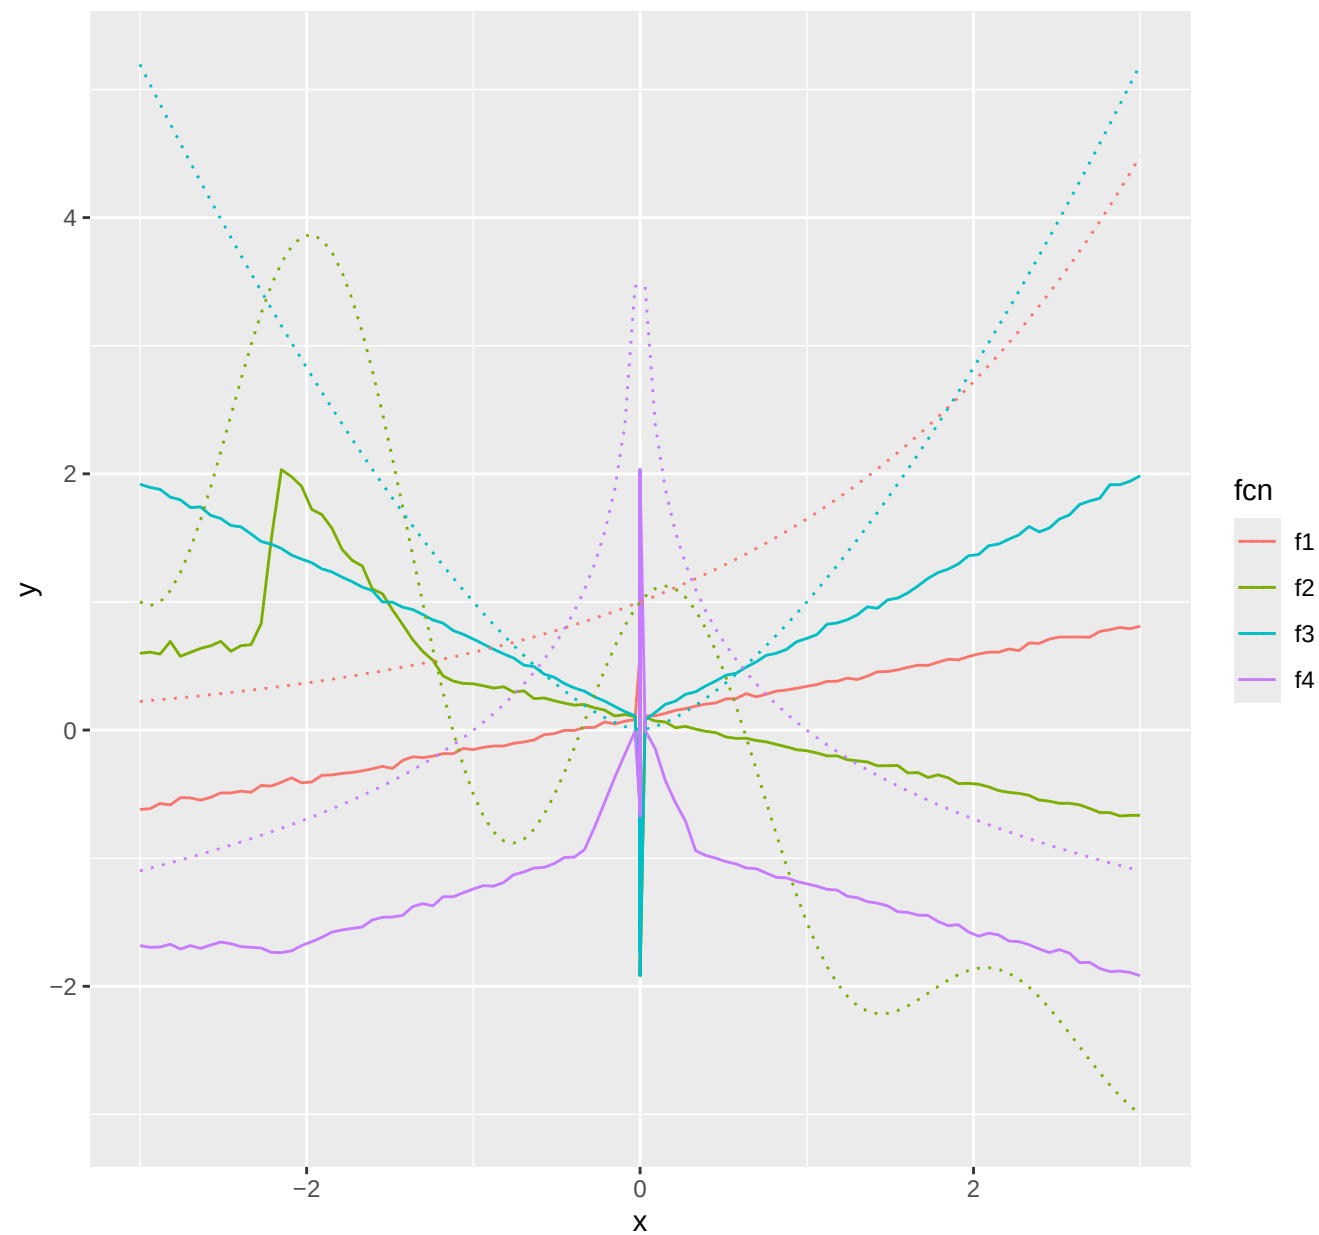

predicted (solid) and original (dotted) functions

epoch: 190000

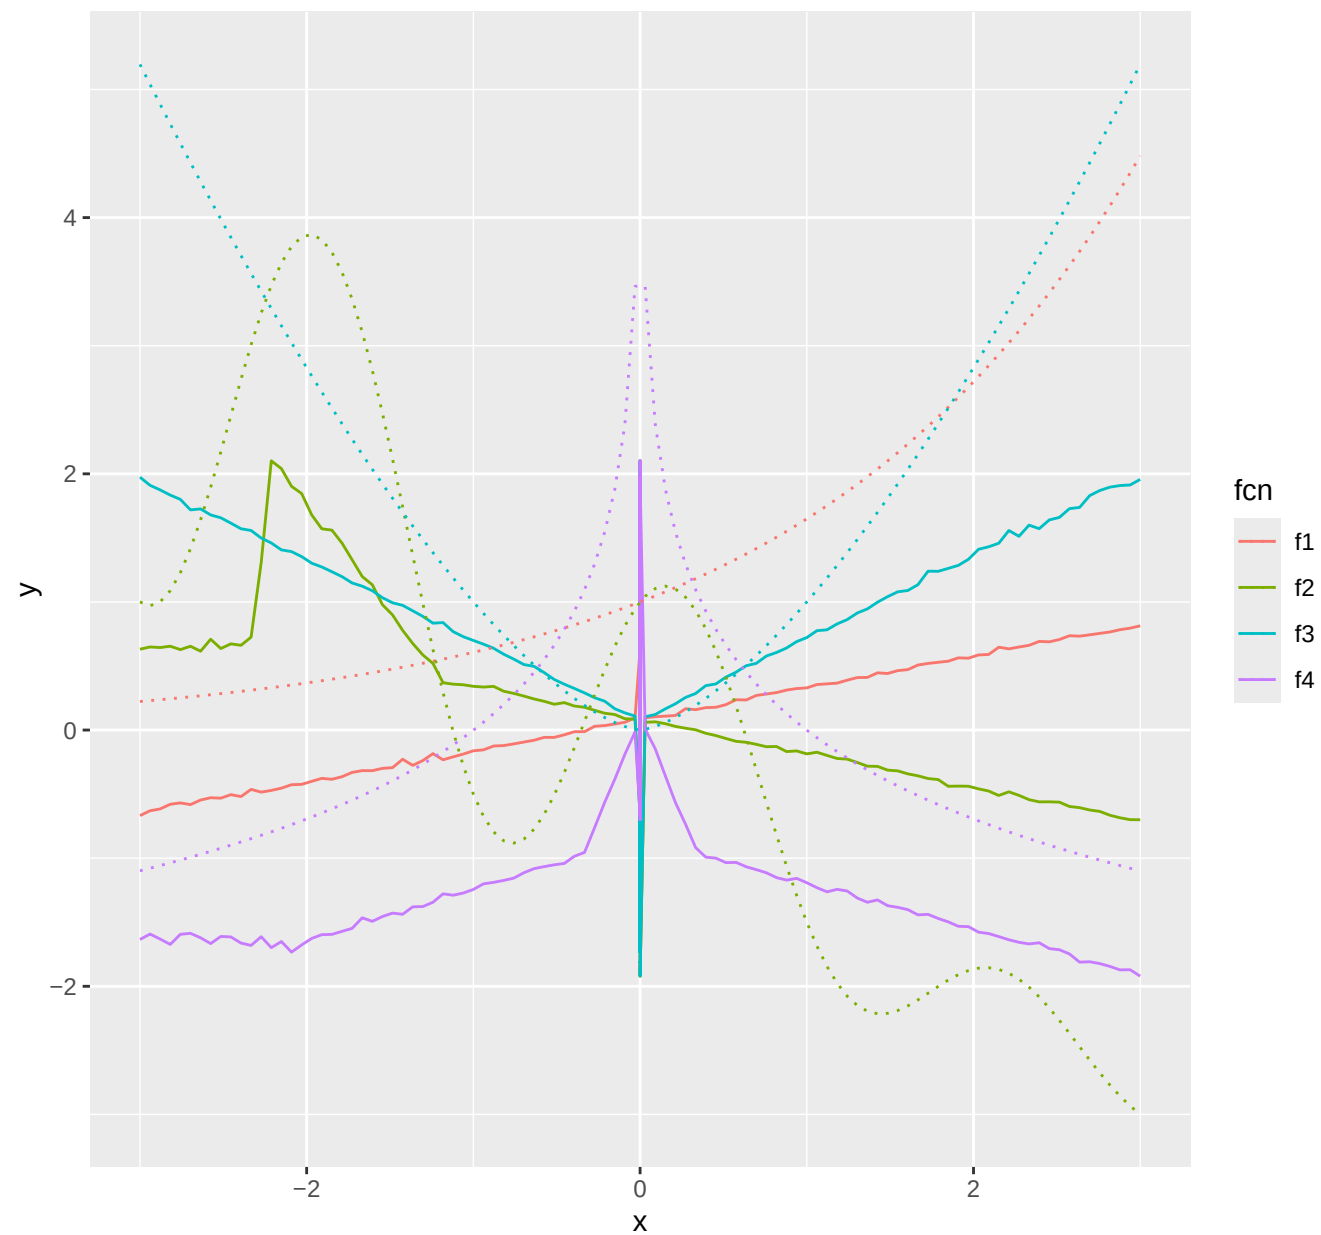

predicted (solid) and original (dotted) functions

epoch: 2e+05

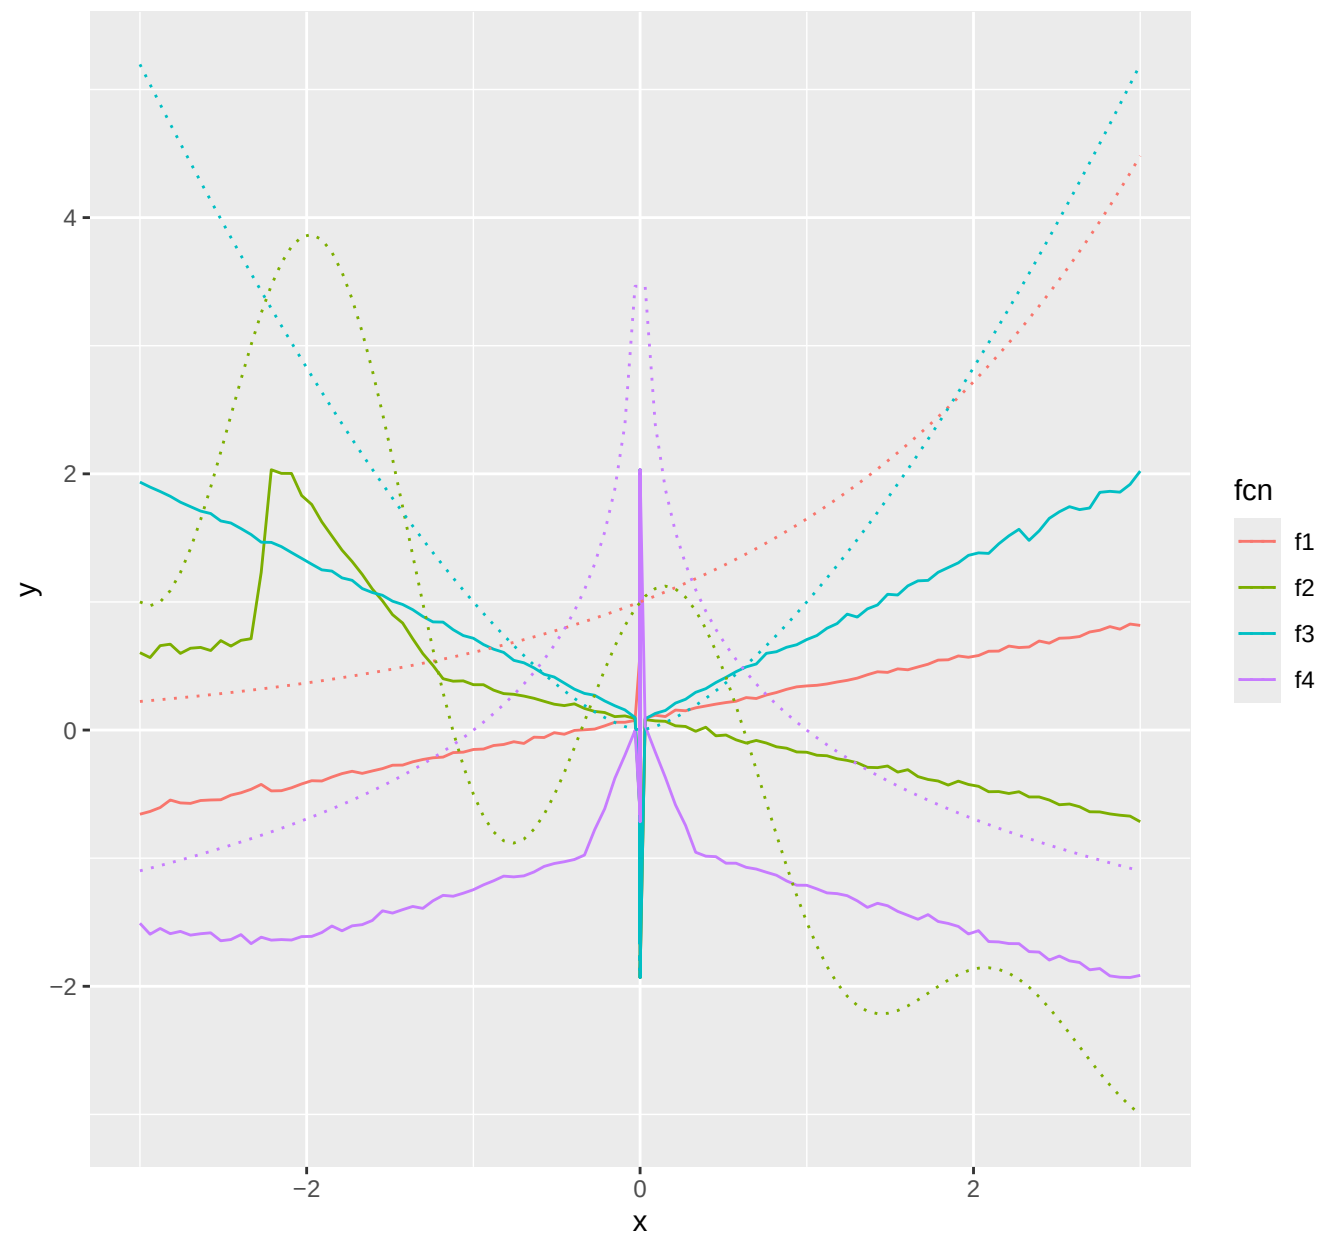

predicted (solid) and original (dotted) functions

epoch: 210000

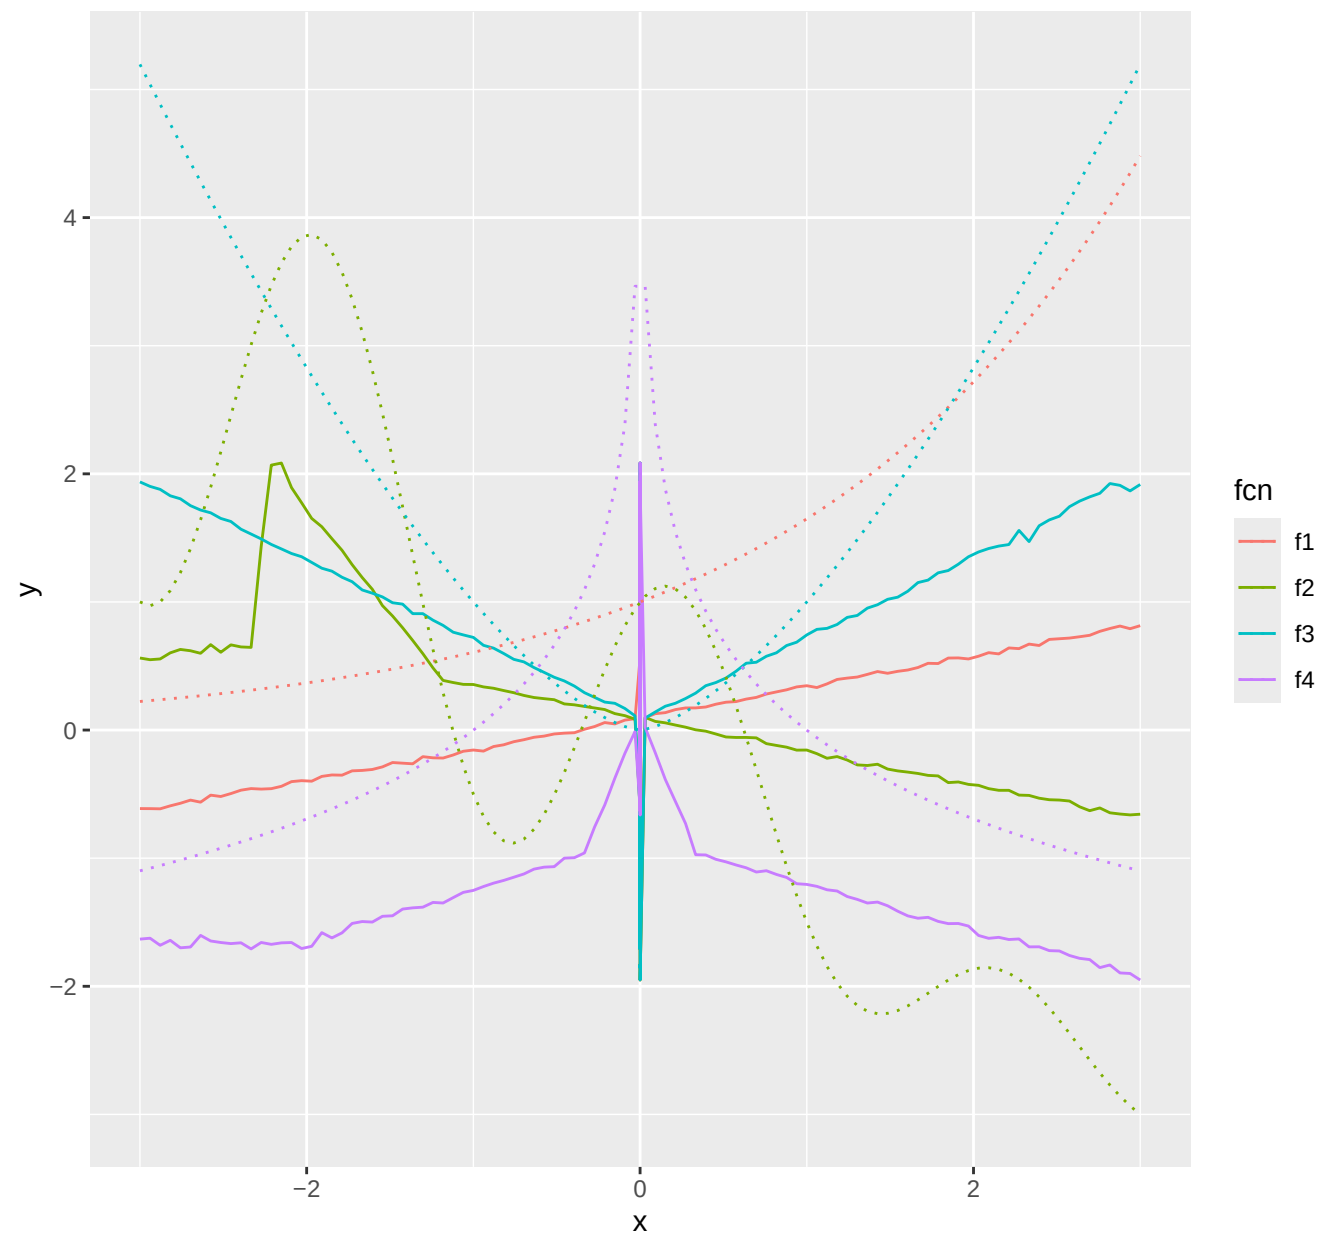

predicted (solid) and original (dotted) functions

epoch: 220000

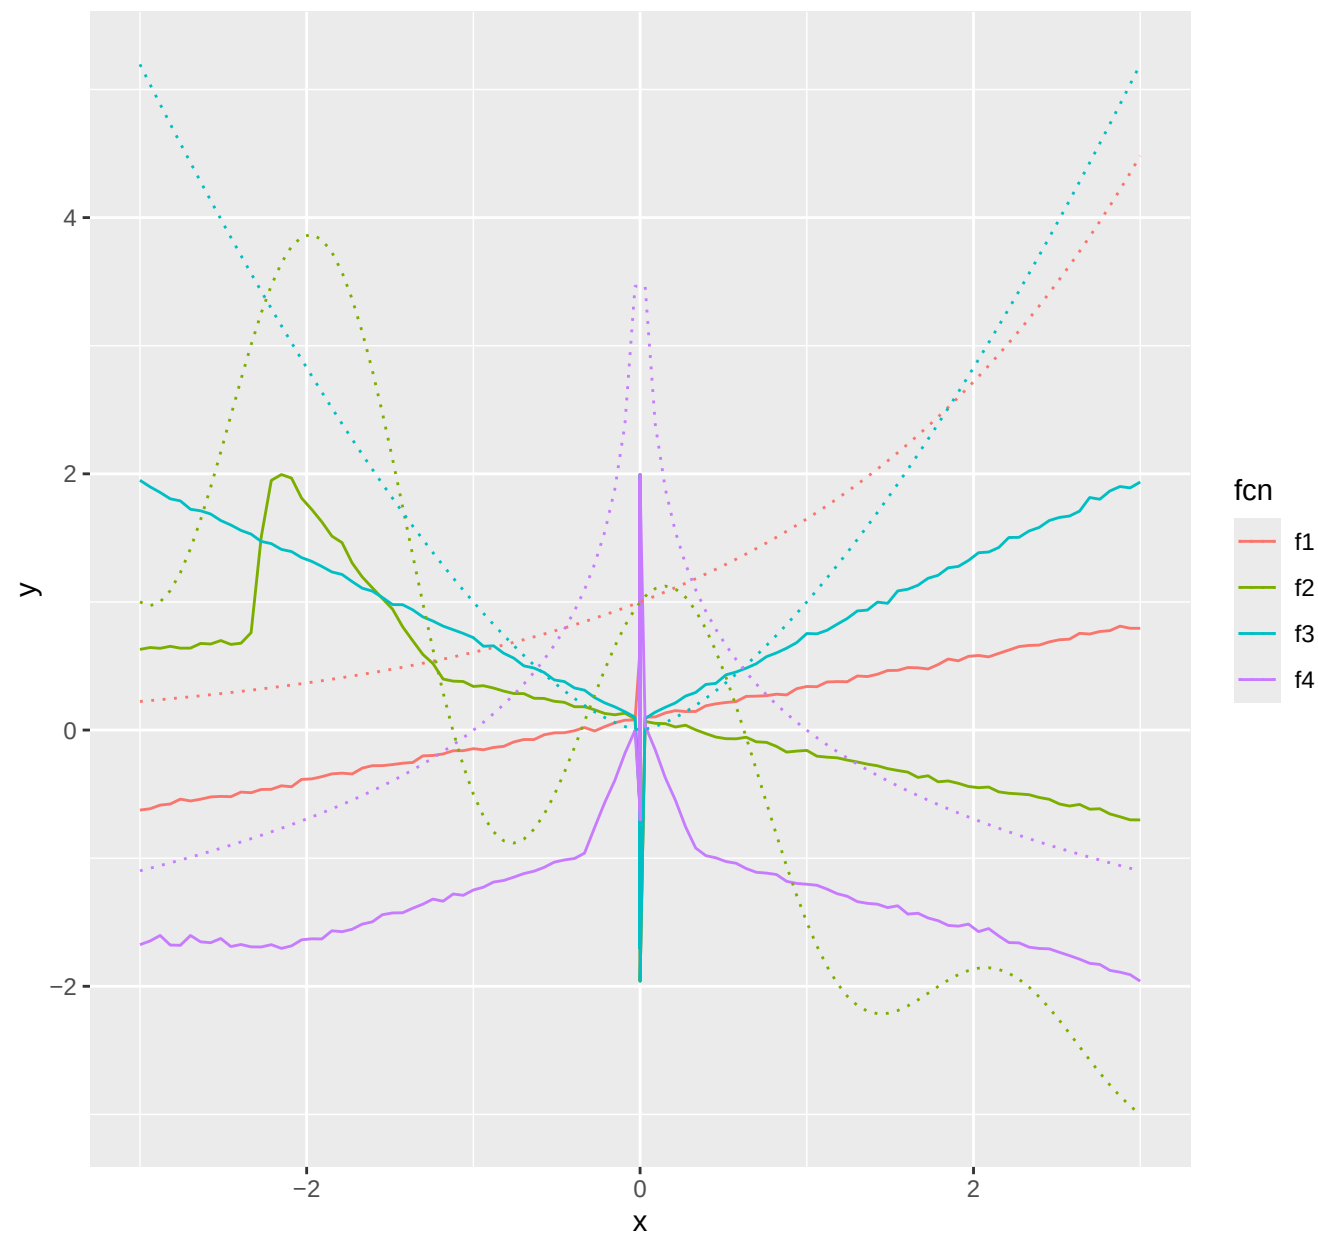

predicted (solid) and original (dotted) functions

epoch: 230000

predicted (solid) and original (dotted) functions

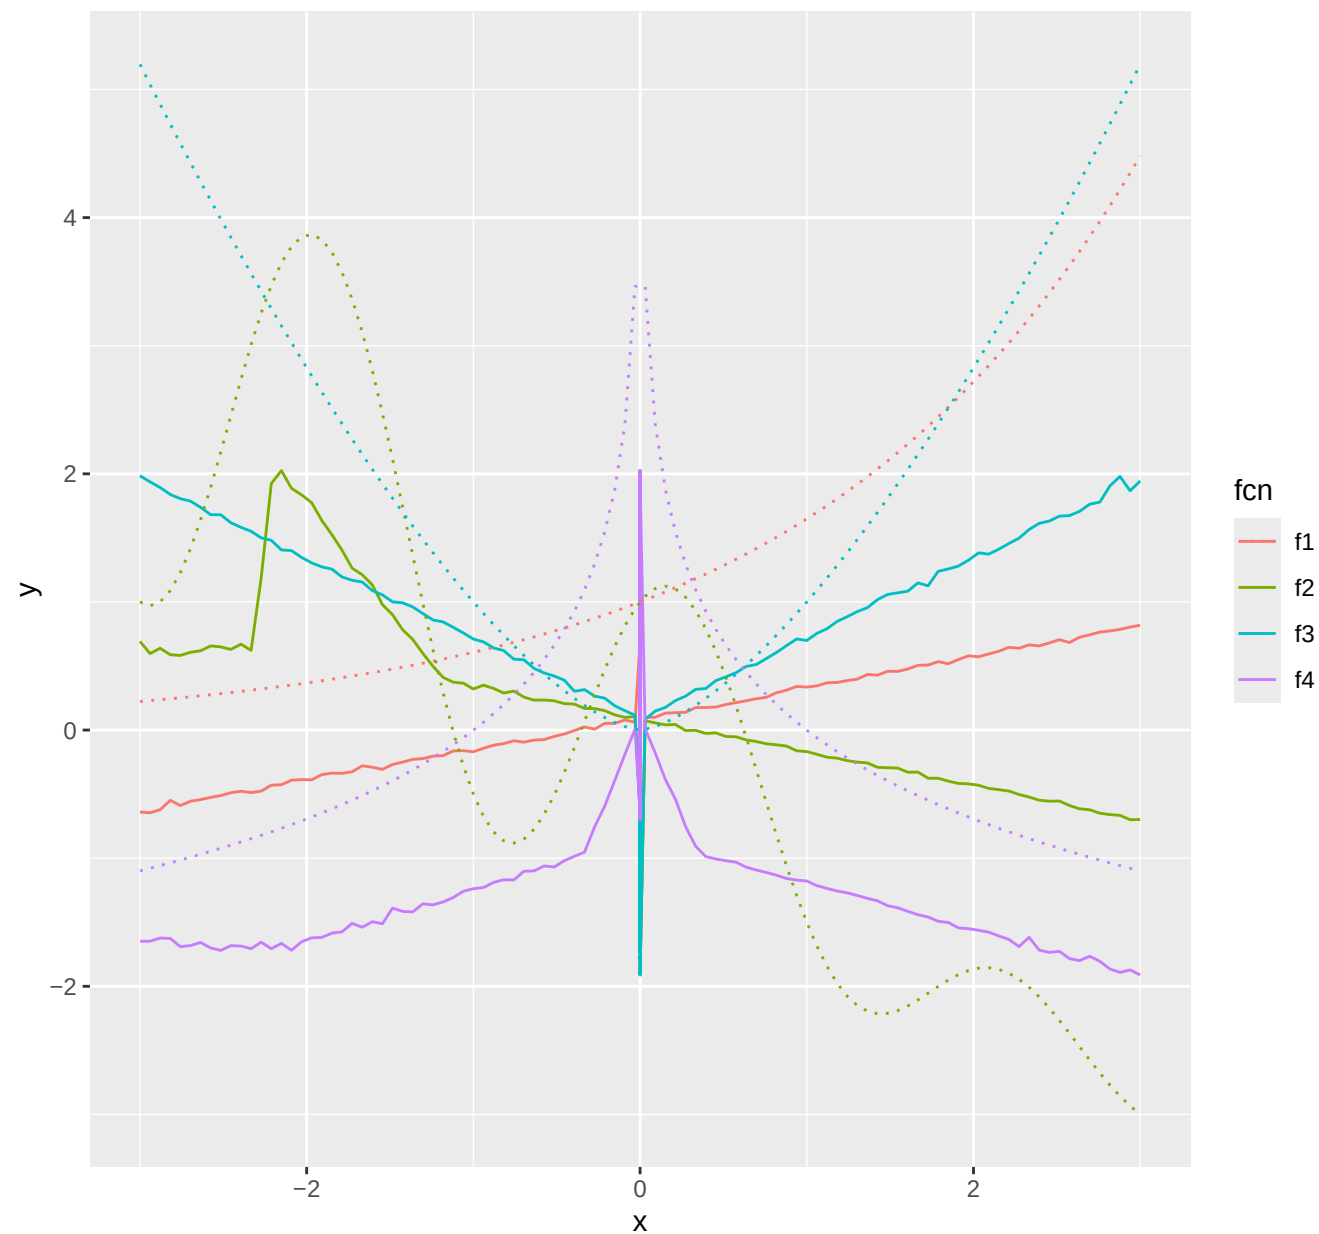

epoch: 240000

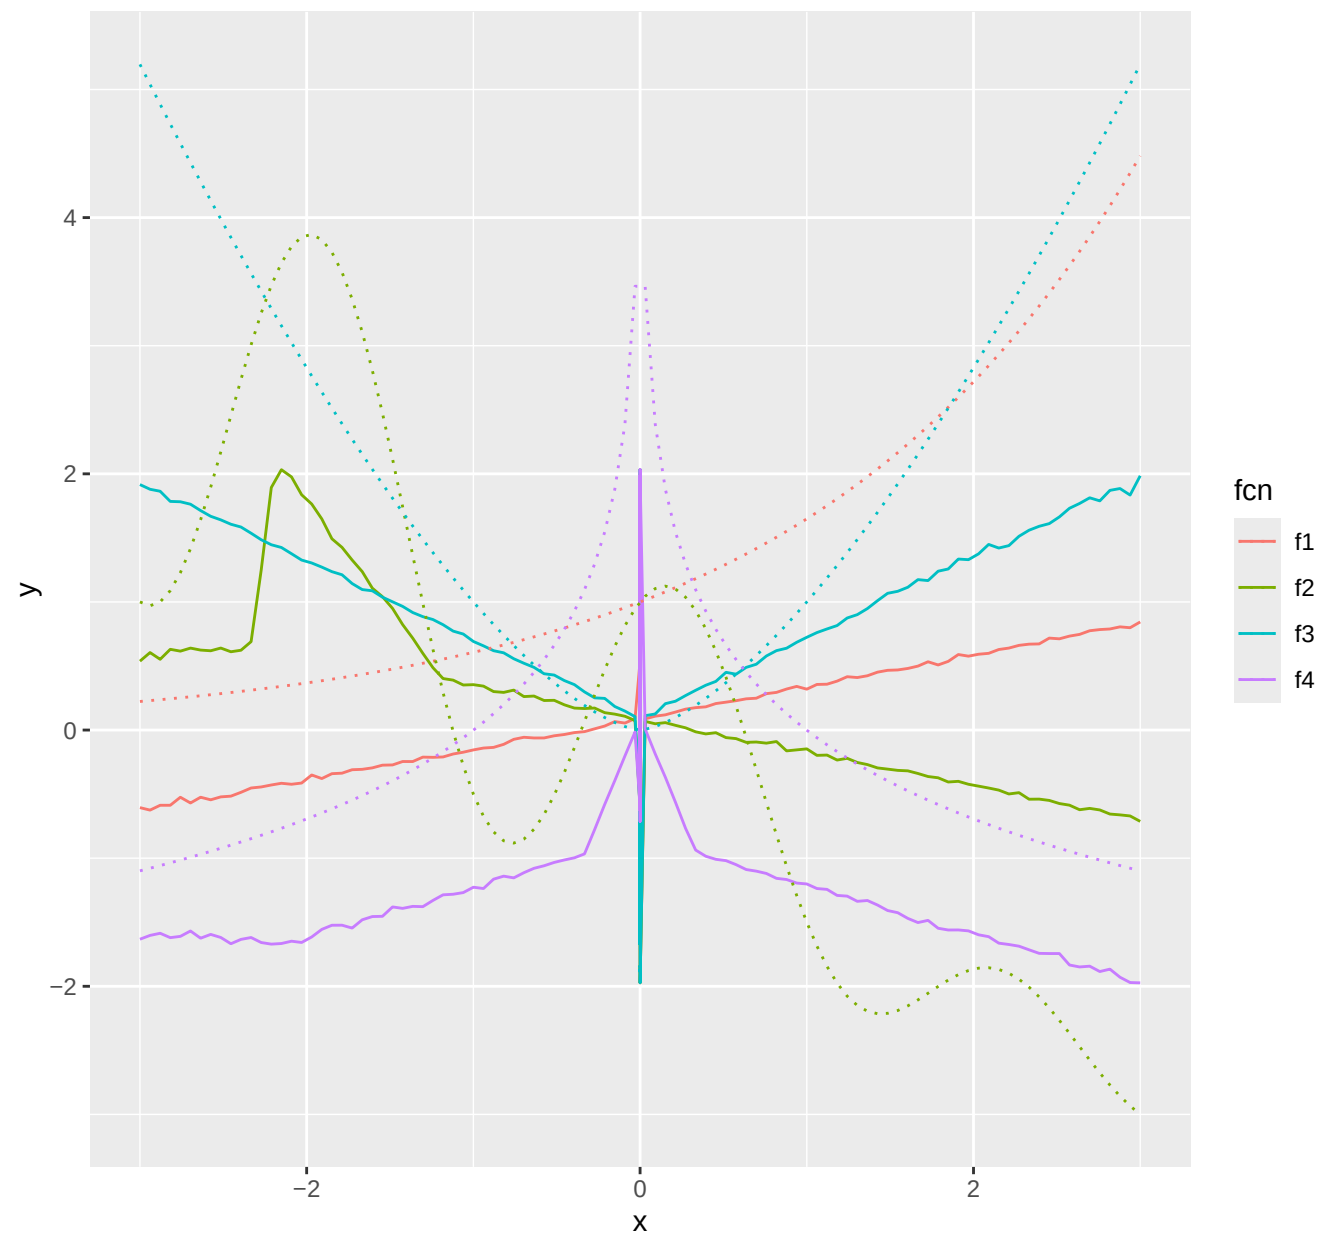

predicted (solid) and original (dotted) functions

epoch: 250000

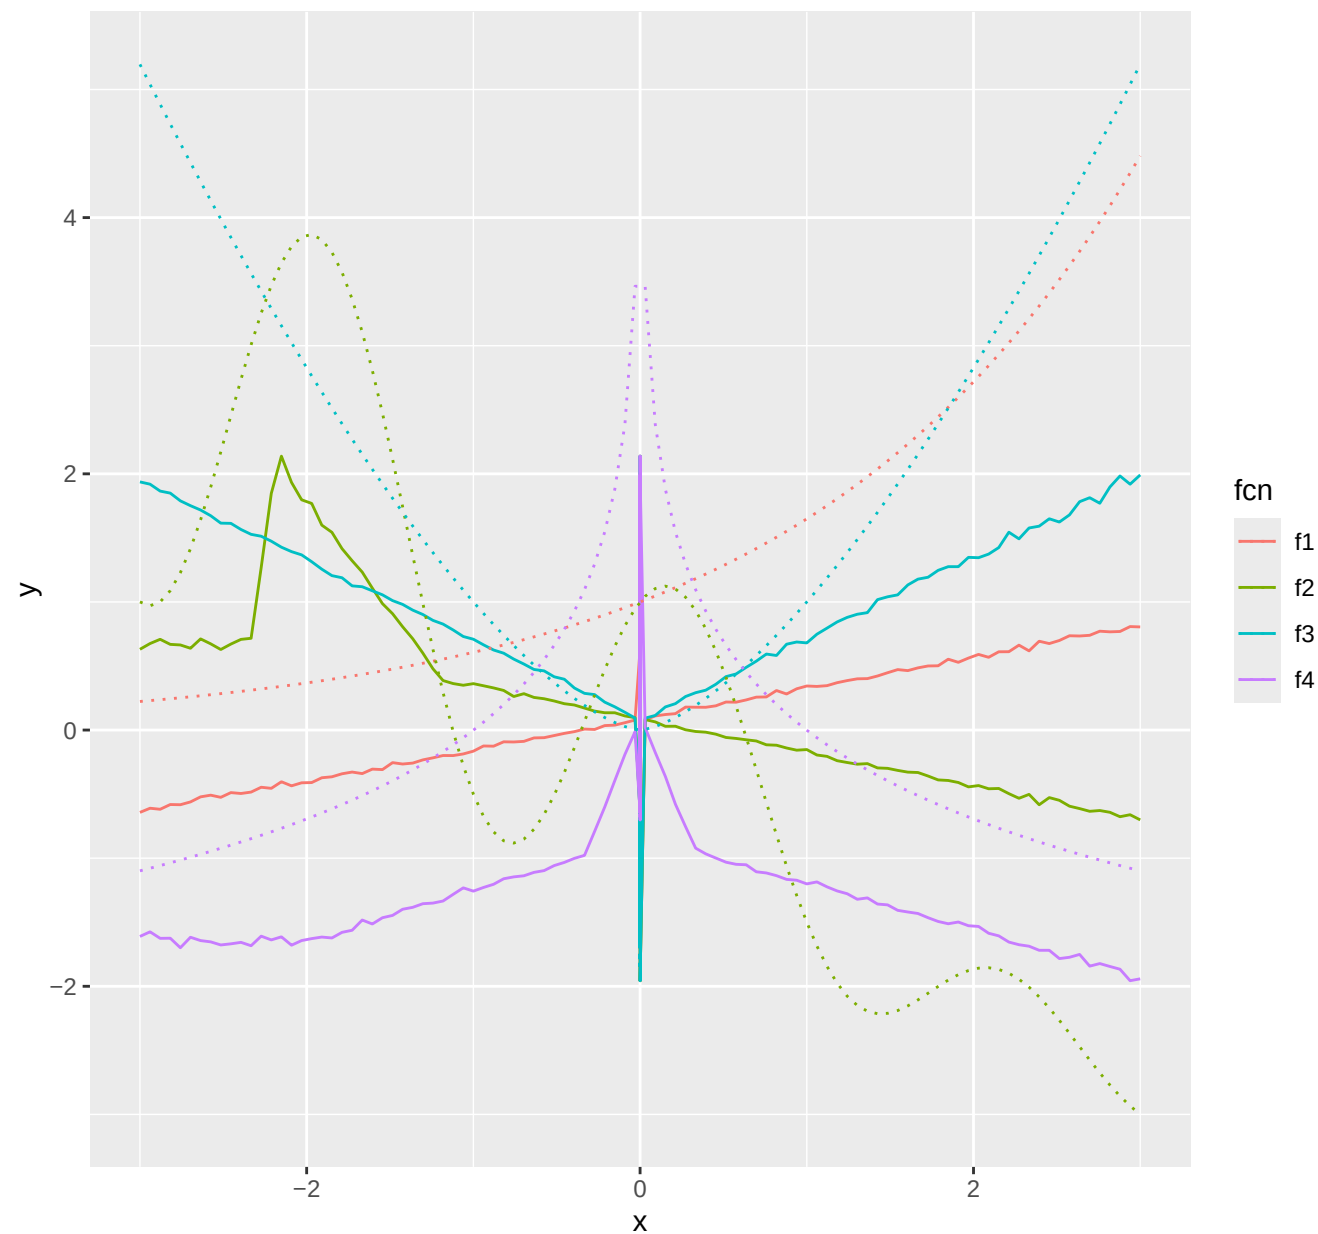

predicted (solid) and original (dotted) functions

epoch: 260000

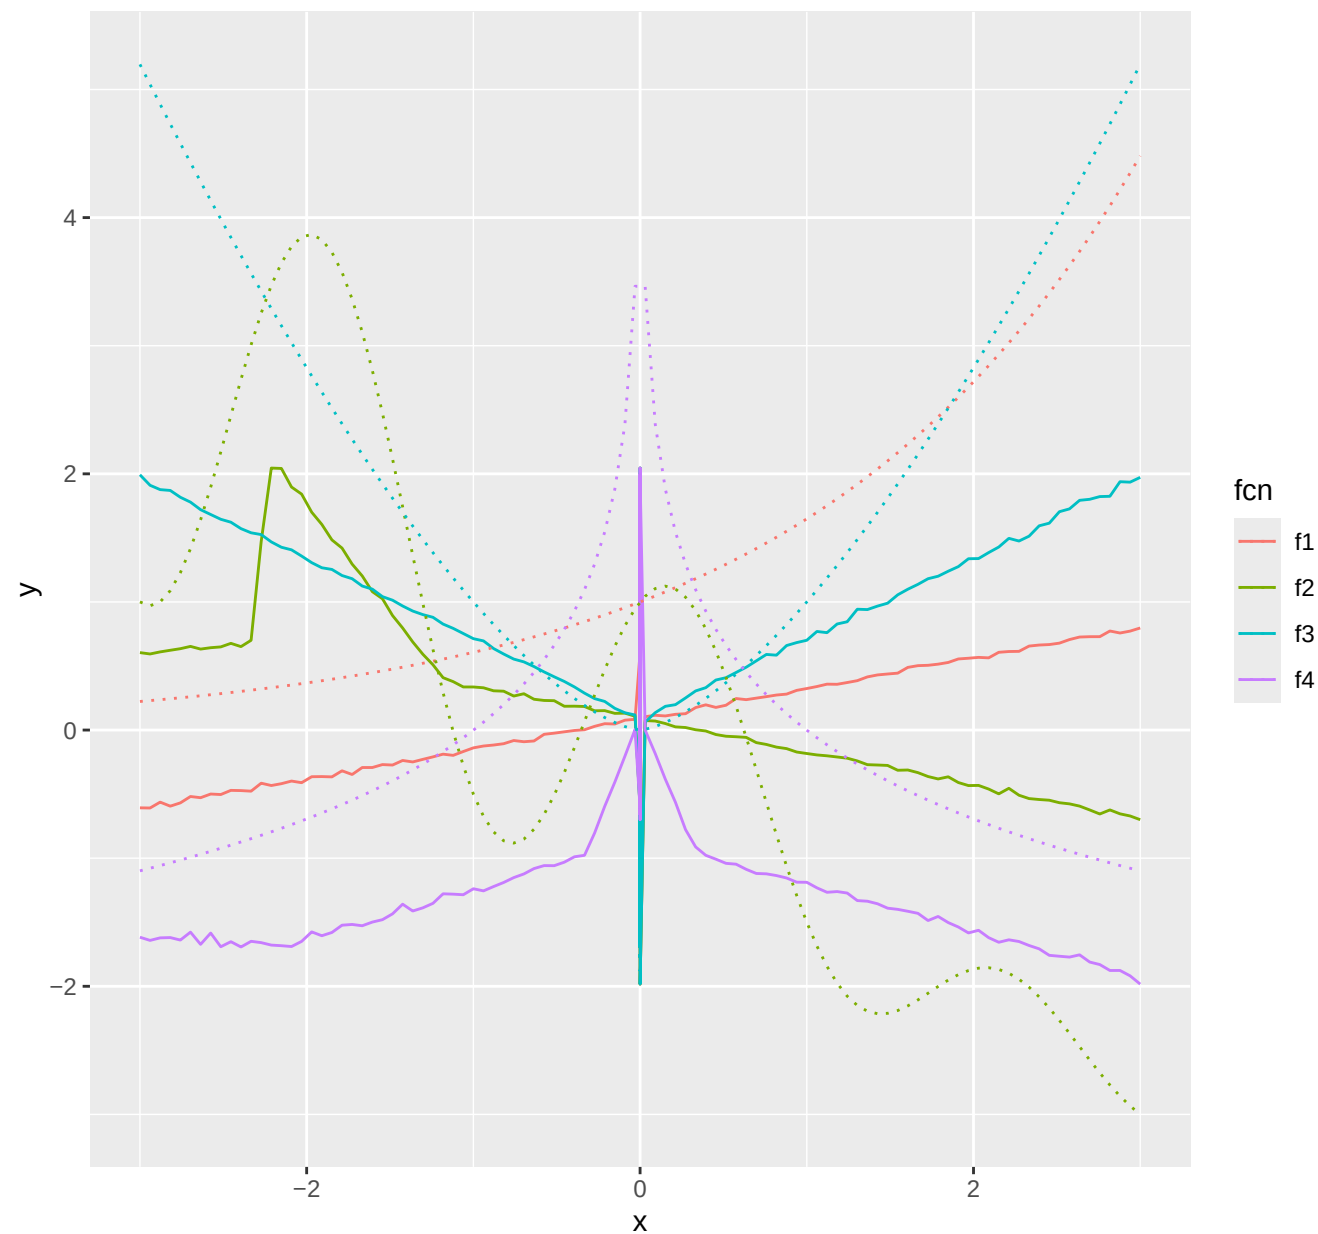

predicted (solid) and original (dotted) functions

epoch: 270000

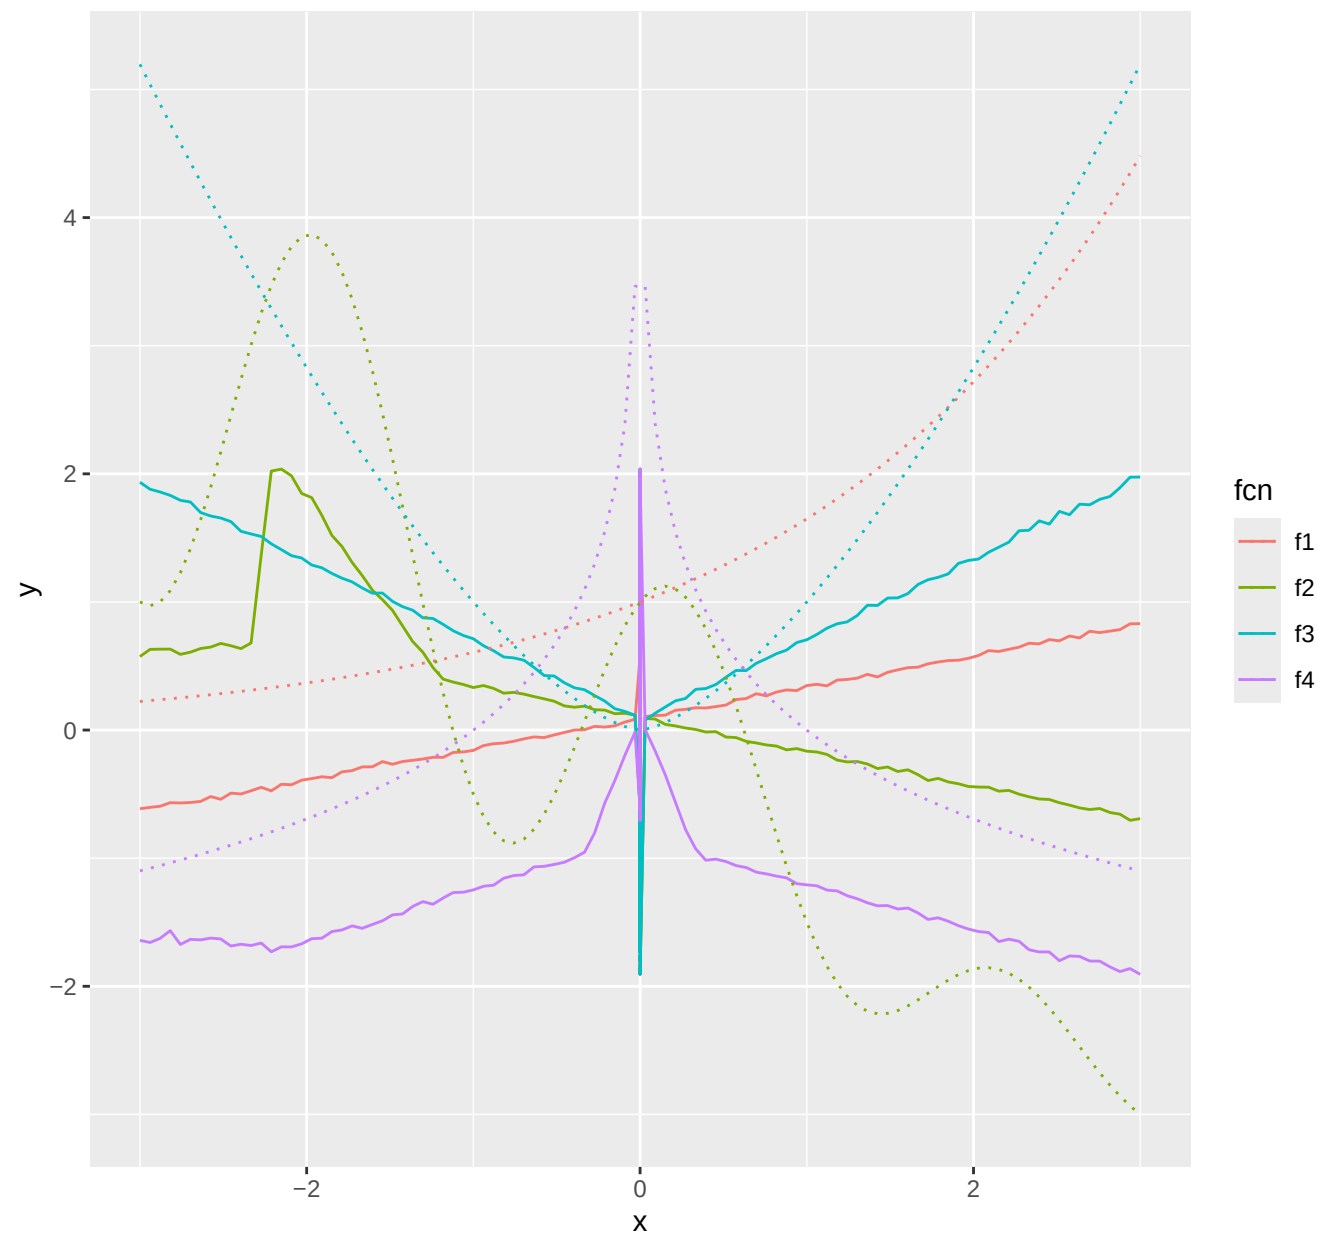

predicted (solid) and original (dotted) functions

epoch: 280000

predicted (solid) and original (dotted) functions

epoch: 290000

predicted (solid) and original (dotted) functions

epoch: 3e+05
